

## Parks and Recreation/Airport Monthly report - October 2022

1. Built a wooden fence around the storage shed at the Rusty Allen Airport to secure equipment and to clean up the look around the Pilot's Lounge.
2. Met with contractors to receive bids for a gas tank integrity test on The Rusty Allen's 10,000-gallon fuel tank.
3. Posted a job opening for an open Parks Maintenance Worker position.
4. Met with a company to hear their proposal for an archery range at Sunset Park.
5. Began working with the newly hired Program Manager to assist in the implementation of the December 5, 2022, tree lighting event.
6. Met with staff to discuss the results of the Comprehensive Classification and Compensation Study.
7. Continue to assist Keep Lago Vista Beautiful on their 2022 major project, the refurbishing of the CVS wall located at Lohman Ford and FM 1431.
8. Partnered with LVISD preparing for the 2022 Veteran's Day celebration being held Friday, November 11th at 10 AM at Lago Vista High School.
