### The History and Meaning of Veterans Day

**Thursday, November 11**  
(City Hall will be closed in observance.)

In November 1919, President Woodrow Wilson proclaimed November 11 as the first commemoration of Armistice Day (aka Veterans Day) with the following words: "To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations..."

Veterans Day continues to be observed on November 11, regardless of what day of the week it falls on. This is a day to honor America's veterans for their patriotism, love of country, and willingness to serve and sacrifice for the common good.
