## Lago Vista Golf Course Undergoing Improvement Projects

**Greens Renovation:** [LVGC](#) will be rebuilding the greens on holes 5, 6, and 7. This process includes the complete rebuild of all three greens including new drainage material and putting surface. The construction phase will take approximately three weeks. This phase includes the removal of all old material from approximately 16 inches underground up to the putting surface and rebuilding with all new material. The grow-in phase will take approximately eight weeks which is the time it takes for the new grass to fill in the putting surface. We expect these greens to be reopened for play sometime in mid-August. In the meantime, we will have temporary greens set up on these three holes until the new putting surfaces are ready for play.

**Restroom Renovation:** [LVGC](#) will be doing a complete remodel of the current restrooms on the golf course. Renovation work includes new paint, flooring, sinks and mirrors, toilets, and light fixtures. The process for the remodel will be to complete one of the two existing restrooms at each location first and then move on to the next location. This ensures that a single restroom will always be available for use during the renovation process. The approximate time for completion of the restrooms is four weeks.

We would like to thank you in advance for your patience and understanding during our remodel. We can't wait to show off our improved facility after construction is complete!

Regards,  
*Chris Godwin, General Manager*

Reporting Code Violations will soon be easier. As always, you can email or call us at City Hall, but now you will also be able to report a violation online on the City of Lago Vista's website. The Code Enforcement Office will automatically receive your report electronically and can take the appropriate enforcement action. You are even able to upload photos if you have any. You may still remain anonymous if you wish. Or, if you would like to receive updates on the enforcement action taken, simply add your email address to the report. Questions? Call us at 512.267.5259.

### **CITY OF LAGO VISTA'S TEMPORARY DISINFECTANT CONVERSION FROM CHLORAMINE TO FREE CHLORINE JUNE 1- 28, 2020**

The City of Lago Vista public water system, (PWS) ID 2270092, will temporarily convert the disinfectant used in the distribution system from chloramine to free chlorine. The conversion will begin on June 1st and continue through June 28th. During this period, you may experience taste and odor changes associated with this type of temporary disinfectant conversion.

Public water systems are required to properly disinfect their water and maintain an adequate disinfectant residual in the distribution system. Chloramine, free chlorine combined with ammonia, is widely used as a disinfectant because it persists for long periods while also limiting the formation of disinfection by-product contaminants. Prolonged use of chloramine coupled with other factors that can impact water quality, such as high temperatures or stagnation of water, may result in the growth and/or persistence of organic matter within the pipes of the distribution system, which may hinder the ability to maintain an adequate disinfectant residual. A temporary conversion to free chlorine, partnered with flushing activities, helps to rid distribution pipes of this organic matter and improve the quality of your water overall.

The City of Lago Vista has chosen to implement a temporary disinfectant conversion to free chlorine based on the following: Annual Free chlorine Burn ( Preventive Maintenance)

If you have any questions regarding this matter, you may contact **Scooter Lindholm** at [SLindholm@lago-vista.org](mailto:SLindholm@lago-vista.org) or by calling **512.599.4103**.

## June 2020 Library News

By the time you read this we hope the Library will be open to the public again, at least in some capacity. If not, we want you to know that the staff is making every effort to meet the needs of our patrons. Visit the Library website and social media pages to find up-to-date information about our services and programs.

The Lago Vista Public Library Summer Reading Program, with its theme **“Imagine Your Story,”** will go digital this summer for toddlers through 5th graders. **Join us on our Facebook page each Wednesday morning at 11:00 a.m.** We will have special performers on Facebook and other online formats. Also, we will be holding **virtual story-times** and hopefully some online games too. Reading logs can be kept by downloading the **Reader Zone App** to a mobile device and using the **code a6c70** when the program begins. Participants will be able to track the minutes they read or are read to from **June 3 – July 29, 2020.** Paper forms will also be available for use. Stay tuned to hear about “make & take” activities and prizes for every 300 minutes read. Prizes will be available for pickup, and our **virtual celebration will be August 5, 2020.** Please contact the library if you have any questions or need updates.

The Lago Vista Genealogical Society isn't missing a beat (or a meeting), despite the shutdown. We're **meeting online via Cisco Webex**, and still having fun with genealogy! **Email Christina Frisbie** at [cfrisbie@lago-vista.org](mailto:cfrisbie@lago-vista.org) if you would like to be added to the email list. Check out [lvgenealogy.wordpress.com](http://lvgenealogy.wordpress.com) for more info!

Several of our book groups are still meeting virtually. If you are interested in joining one of them, contact us, and we will put you in touch with the group's leader.

Visit the library's website at [www.lagovista.lib.tx.us](http://www.lagovista.lib.tx.us) for more information and updates about programs and events scheduled in June and throughout the summer. Look for us on [Facebook](#), [Twitter](#), [Pinterest](#), and [Instagram](#). Call **512-267-3868** or email us at [lvlibrary@austin.rr.com](mailto:lvlibrary@austin.rr.com) if you would like to receive our bi-monthly newsletter.
