LAGO VISTA VIEWS

www.lagovistatexas.org • March, 2020

Lago Vista High School Students Get a Bird's Eye View of Water Plant Operations.

On Wednesday, February 5th, Lago Vista High School students from Ms. Hoskins' two Earth & Space Science classes visited the City's water and wastewater treatment plants.

Students learned about the process involved in water treatment. Raw water is extracted from Lake Travis, goes through a treatment and filtration process at the water plant, and is then moved through the distribution system to be delivered to our homes and businesses.

Students then were taught about what happens after the water we use at our homes and businesses is sent down the drain. They learned that this water is returned to the City's sewer treatment plant where it is treated then used for irrigation in our City.

We really enjoyed having the students and hope the field trip turns into an annual event!

*Save the
Date!*

Saturday, May 16, 2020
Noon - 9 p.m. in Bar K Park

Live Music, Arts, & Food Festival - Free All Ages

Live music all day long, VIP Lounge with catered food and beverages, artist market, games, pony rides, food trucks galore, helicopter rides, and so much more. *Come by land or come by boat.* It's a day on the lake you won't soon forget.

City of Lago Vista Welcomes Daniel Migura as New HR Director

Daniel Migura is from Lake Worth, Texas. He worked for the City of Laredo, TX, for more than 16 years as the human resources director. In that role his department oversaw more than 2,500 employees with an annual budget of \$28,000,000.

Mr. Migura worked for Texas Municipal League Health Benefits Pool for more than five years. As Human Resources Director, he handled recruitment, employee relations, policy compliance, compensation, benefits, and health and wellness for more than 150 semi-professional and professional employees.

Daniel Migura's first day with the City of Lago Vista was February 10, 2020.

City of Lago Vista Garbage and Rubbish Ordinance

The City of Lago Vista is taking the next step to keep Lago Vista Beautiful by asking all residents to place their solid waste and recycling containers out of sight from neighbors and traffic on the public roadways.

Soon the entire city will be canvassed and residents notified if there is a code violation. In accordance with the **City of Lago Vista Garbage and Rubbish Ordinance**, we ask that you **conceal your solid waste and recycle containers** (except on your scheduled pick up day.) The ordinance states:

Sec 6.102 General Regulations

F. Each dwelling shall have solid waste container which must be inaccessible to dogs and other animals and which should be concealed insofar as possible from viewing from a public street or adjoining properties. Arrangements should be made for waste pick up so that containers are visible on waste pick up days and are immediately returned to normal storage areas within twelve (12) hours after trash pick-up.

Thank you very much for helping us with this transition to help keep Lago Vista beautiful.

Exciting Library News

The Lago Vista Public Library is excited to announce plans for an upcoming expansion! This project will better serve Lago Vista's growing needs by focusing on several key areas: expansion of children's and teens' spaces, room to expand collection materials, increased space for programs and events, a quiet study area, and space for additional seating. **We want to know what our patrons would like from the library, so please send us your ideas and suggestions.** Visit the library website and social media pages for updates on the progress of the expansion!

Come join us in celebrating March as Women's History Month! 2020 is a special year as it marks the 100th anniversary of the passage of the 19th Amendment, guaranteeing and protecting women's constitutional right to vote! The library offers books, programs and displays about remarkable women who have made history and who continue to impact our lives. Stop by and check them out!

Visit the library's website at www.lagovista.lib.tx.us for more information about programs and events scheduled in March as well as new books, audiobooks and DVDs! Look for us on Facebook, Twitter, Pinterest and Instagram. Also, email us at lvlibrary@austin.rr.com if you would like to receive our bi-monthly newsletter.
