City Embarks on Strategic Planning Process This Fall

The City is asking for your input in a community survey that will help the City collect data for our Strategic Plan. The answers you provide will help us identify short-term goals and help the planning team, along with City staff and council, create a plan with clearly laid out, actionable steps.

We want to make sure that everyone is heard as we chart a course for City operations, expenditures, and expectations for the future.

We are excited to hear from you! We invite you to take a few moments to respond to the 15-question survey to help guide Lago Vista into the future. The online survey is available at PlanLagoVista.com. A PDF is available on the City website to download and print. Hard copies can be picked up at **City Hall at 5803 Thunderbird Street**. All surveys filled out by hand may be mailed to or dropped off at City Hall to be registered.

Want to keep in touch with the process? Please visit the City website to read and sign up for news alerts, **download the City of Lago Vista mobile app** - available for Android and iPhone - to get notifications sent to you, and like/follow our Facebook page at [CityOfLagoVista](#).
