## Introduction

This has been a busy and productive month for the police department. We continue to be productive in traffic enforcement and responding to calls for service. Some highlights from this month include a meeting with the Hope Center to discuss future ways our organizations can work together and participate in the community town hall meeting with TXDOT. We have also been working hard on plans for the National Night Out, scheduled for Tuesday, October 3rd! We are very excited to bring this event back to our community.

We have also been preparing for several projects approved in the budget for the upcoming fiscal year. We are very grateful for the support in approving significant projects such as the department's radio, computer-aided dispatch (CAD), and records management system (RMS) upgrades. We have also been preparing for new positions for Dispatch, Code Enforcement / Animal Control, and School Resource Officer. Finally, we have been working diligently on the police department section of the new city website.

September 1st marked the first anniversary of my privilege of serving as your Chief of Police. I am very proud of the work we have accomplished during this period, and I look forward to many more fantastic opportunities for our department. I hope you are proud of the direction your police department is moving.

Gary A. Boshears, Chief of Police
