Be Ready for Winter Storms BEFORE They Happen

-Make Sure Your Home is Ready-

- Winterize your home with insulation, caulking, and weather stripping.
- Learn how to keep interior and exterior pipes from freezing.
- Clear rain gutters, repair roof leaks, check your roof to make sure it can handle the extra weight of the snow and ice, and cut away tree branches that could fall on a house or neighboring structure.
- Install and test smoke alarms and carbon monoxide detectors with battery backups.
- Have your chimney or flue inspected each year.
- Consider buying alternative heating resources. All heaters that run on fuel (natural gas, kerosene, butane, oil) should be vented.
- When purchasing a space heater, look for one that has an automatic shut-off or tip-over switch. Place the heater on a level surface away from high-traffic areas and flammable items, such as curtains, bedding, or furniture. Never use an extension cord - plug your space heater directly into the electrical outlet.

-Make Sure Your Vehicle is Ready-

- Create an emergency supply kit for your vehicle. Include matches, a windshield scraper, jumper cables, a flashlight, warm clothes, blankets, bottled water, non-perishable snacks, and a bright cloth to tie to the antenna.
- Store a small broom and a small sack of sand in your vehicle for generating traction under wheels and a set of tire chains or traction mats.
- Winterize your vehicle before the winter storm season to decrease your chance of being stranded in cold weather.
- Have a mechanic check your battery, antifreeze, wipers and windshield washer fluid, lights, flashing hazard lights, heater, brakes, defroster and oil.

February At The Library

The Library will be closed on Monday, February 19 for President's Day.

February is recognized as Black History Month, a time to acknowledge the contributions of African Americans to our history and culture. We invite you to visit the Library and check out some recently published titles written by African American authors such as Jesmyn Ward's Let Us Descend, Sheila C. Johnson's Walk Through Fire, Michelle Miller Morial's Belonging: a Daughter's Search for Identity Through Love and Loss, James McBride's The Heaven & Earth Grocery Store, and more.

February is also National Library Lover's Month, a time to recognize everyone who loves the Library. We are truly grateful for your support!

For more information about these events and other programs and services, visit the NEW Library website at: www.lagovistatexas.gov/459/Public-Library

Parks & Recreation

The City of Lago Vista offers 4 different parks for you to enjoy that are all managed and maintained by our Parks & Recreation Department. Sunset Park is our largest park which offers walking & biking trails, a soccer field, a volleyball court, a baseball/softball field, a scent garden, a playground, picnic tables, benches, and restrooms. Bowden Point Park offers picnic tables, benches, gardens and art sculptures. City Hall Park offers picnic tables, benches and a small walking trail with a featured art sculpture. Veterans Memorial Park offers a gazebo with a 5-pointed star and flags of the five branches of military service, the Path Of Honor walkway containing engraved bricks with the names of honored veterans, which is guarded by five granite totems representing soldiers from each branch of service, and features a bald eagle sculpture.

KLVB

An important new initiative of the Keep Lago Vista Beautiful is to develop Art in Public Places. KLVB is proud to mark their first full size mural at the Lago Vista Ball Field on Bar-K. Sadie Darling designed and painted the mural, which features two ball players, one of whom is dedicated to Whitney Vaughn- #12 on the Lago Vista Vikings Softball and Basketball team, who we lost recently in a tragic automobile accident. And the 84 is representing the year Lago Vista became a city.

Attention Artists! Keep Lago Vista Beautiful's Art in Public Places (KLVB APP) committee is inviting submissions for two mural projects in Lago Vista. We are excited to promote art in our community!

The Police Department mural theme is Police, Fire Department, and EMT related. The mural is to be painted on an outside wall. Budget is \$3,500.

The City Pool has 4 smaller mural spaces. Each mural needs to have a theme unique to Lago Vista. Example: the lake, deer, hills, flowers, etc... The budget is \$500 per mural. We are looking for up to 4 artists for this location.

Please submit your designs by March 1, 2024 for consideration to samanthapmontag@gmail.com

Winter Sewer Averaging

Your actual water usage during the months of November 2023 - February 2024 are reviewed to determine your sewer rate for your monthly bill. The lowest two months of metered water usage of those four are then averaged to determine your new sewer rate. These months are deliberately chosen because they tend to have the lowest consumption for most customers. The end result is that those who are conservative in their usage will pay less for sewer services. Those who use more water and place a greater burden on the treatment facilities will pay more. New winter averaging rates will be calculated in April of 2024 and due on your bills beginning in May 2024.
