

**ORDINANCE NO. 22-09-15-01**

**AN ORDINANCE OF THE CITY OF LAGO VISTA, TEXAS ADOPTING A BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2022, AND ENDING SEPTEMBER 30, 2023; APPROPRIATING THE VARIOUS AMOUNTS THEREOF, AND REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT THEREWITH; AND PROVIDING FOR AN EFFECTIVE DATE.**

WHEREAS, the City Manager of the City of Lago Vista, Texas ("City") has submitted to the City Council a proposed budget of the revenues and the expenditures for FY 2022-23 to conduct the affairs of the City and has provided a complete financial plan for FY 2022-23; and

WHEREAS, the proposed budget has been compiled from detailed information obtained from the several departments, divisions, and offices of the City; and

WHEREAS, the City Council has received the City Manager's proposed budget, a copy of which has been filed with the City Secretary; and

WHEREAS, the City Council has conducted public hearings on the budget, as provided by law.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LAGO VISTA, TEXAS, THAT:**

Section 1. The FY 2022-23 Annual Budget, beginning October 1, 2022, and ending September 30, 2023, a copy which is attached hereto as Exhibit "A", is hereby adopted.

Section 2. That the appropriations for the fiscal year beginning October 1, 2022 and ending September 30, 2023, for the Support, Maintenance and Operation of the General Government of the City of Lago Vista, Texas be fixed and determined for said term in accordance with the expenditures shown in the City's Fiscal Year 2022-2023 Budget, a copy of which is attached hereto as Exhibit "A."

Section 3. That the appropriations for the Fiscal Year beginning October 1, 2022 and ending September 30, 2023 for the payment of Debt Service shown as part of the Interest and Sinking Fund for the City of Lago Vista be fixed and determined as for said term in accordance with the payments shown in Exhibit "A."

Section 4. Ordinances or parts of Ordinances in conflict herewith are hereby repealed.

Section 5. This ordinance shall be and remain in full force and effect from and after its final passage and publication as herein provided.

Councilor Roberts made a motion to approve Ordinance No. 22-09-15-01, setting and approving the Municipal Budget for the 2022-2023 Fiscal Year.

Councilor Sullivan seconded the motion. Upon roll call, the vote was recorded as:

**PROPOSED 2022-2023 BUDGET**

**Council Meeting - September 15, 2022**

Mayor Ed Tidwell • Mayor Pro Tem Kevin Sullivan  
Chelaine Marion • Paul Prince • Paul Roberts • Rob Durbin • Gage Hunt

---

Honorable Mayor, City Council, and residents:

In accordance with the City of Lago Vista Charter and the State of Texas Local Government Code, I am pleased to present the budget for the fiscal year 2022/2023, which was developed to achieve the City Council's Work Plan goals. This budget identifies the resources needed to maintain service levels for a growing population. As we see more residents and business growth, the expectation for high-quality City services follows.

This past year has proved to be one with obstacles and challenges. As we have seen the COVID pandemic transition in many ways, it has still had an impact to the organization and economy. This year's past economic environment has also been challenging for staff and operations. With the availability of COVID vaccines and boosters and the economy beginning to stabilize, we are hopeful about the next fiscal year.

As our community and organization grows, the need for additional staffing and planning has become a priority. The proposed tax rate for the 2022-2023 fiscal year is \$0.4283. This is a reduction from the previous fiscal year rate of \$0.6070. The budget includes total revenues of \$39,766,601 and expenditures of \$36,696,636. The City will issue Certificate of Obligation bonds to assist with street rehabilitation, upgrades to water and wastewater infrastructure and the replacement of the golf course irrigation to meet TCEQ permitting for effluent disbursement. The proposed budget includes ten new positions to mitigate the growth in service demands.

A City Council held multiple budget workshops and discussed the following items:

- Cost of Living increases of 5%
- Implement result of the compensation study for salary adjustments to 100% of the Market
- Digital Signage along Lohman Ford Road
- Additional amenities and an alternate entrance to Sunset Park
- Temporary Municipal Complex building
- Cleanup of Lago Vista Way
- Traffic Safety Study
- Water and Wastewater Modeling
- Golf Course Irrigation Design

Mayor Ed Tidwell • Mayor Pro Tem Kevin Sullivan  
Chelaine Marion • Paul Prince • Paul Roberts • Rob Durbin • Gage Hunt

---

### ***General Fund***

The General Fund (GF) is supported by property, sales and other taxes, franchise fees, permit fees, charges for service, fines and forfeitures, interest revenues, and administrative fee reimbursements. Revenue for the FY2023 GF budget is \$17,539,608 which is \$3,452,129 more than the adopted FY2022 budget (\$14,087,479). GF expenditures fund services for the Administration, Non-Department, Development Services, Finance, Human Resources, Municipal Court, City Secretary, Economic Development, Legal, Police Department, Dispatch, Street Department, Solid Waste, Building Maintenance Parks & Recreation, Aquatics, and Library. The GF also supports other funds as necessary, i.e., Golf, Aviation, Parks & Recreation, and capital projects through transfers. The operating expenditures show an increase from \$12,288,662 adopted in FY2022 to \$19,771,614 for FY2023. These increases in expenditures are due to additional employees, equipment, and a temporary municipal building.

### ***Enterprise Funds***

#### Aviation

In FY2023, adopted expenditures of \$497,114 with an increase over last year's adopted budget of \$120,297. An expenditure of \$10,000 was added to the FY2023 budget for a fuel tank integrity test.

#### Golf

The FY2023 expenditures (\$1,753,925) increased from the previous fiscal year (\$1,342,394) to provide two new positions: Full-time Cart Keeper and a Full-time Pro Shop Attendant. This proposed budget also includes tree trimming, equipment, and salary adjustments.

#### Public Works

The staffing level increased by one full-time Plant Operator for the Wastewater Treatment Plant. Every FY, water and sewer rates are evaluated to ensure fees cover the costs associated with providing both services. These rates have remained consistent for three (3) fiscal years. City Council will continue to evaluate these rates in the next fiscal year for any opportunity to provide financial relief.

Mayor Ed Tidwell • Mayor Pro Tem Kevin Sullivan  
 Chelaine Marion • Paul Prince • Paul Roberts • Rob Durbin • Gage Hunt

### **Debt Service**

The City’s debt service is broken down into two (2) funds: Operation & Maintenance (O&M) and Interest & Sinking (I&S) funds. A more simplified way of distinguishing between the two is operations and debt. Staff is proposing to adopt the Voter Approval Rate which will decrease the M&O rate to \$0.2959 from last year’s \$0.3981 and decrease the I&S from \$0.2089 to \$0.1324, which brings the total tax rate to \$0.4283.

	<b>2021-2022 Last Year</b>	<b>2022-2023 Current Year</b>
Maintenance & Operations (M&O)	\$0.3981/\$100	\$0.2959/\$100
Interest & Sinking (I&S)	\$0.2089/\$100	\$0.1324/\$100
<b>Total Property Tax Rate</b>	<b>\$0.6070/100</b>	<b>\$0.4283/\$100</b>

### **Capital Improvement Program**

- *Attached within this budget document is the 2022-2023 CIP for street rehabilitation, Sunset Park, Public Works Operations, a waterline at Bar-K to Bronco, Water Model and Wastewater Master Plan, and Cedar Breaks effluent pond filter upgrade.*

### **Conclusion**

The Fiscal Year 2022-2023 budget reflects staff’s and the City Council’s goals and objectives. It serves as an operating guide for staff and the City’s financial plan regarding anticipated appropriations and projected revenues. Thank you to all the department heads for their commitment to financial stewardship and a special thank you to the Finance team for their hard work providing sound forecasting and solid budget analysis during the process. The finances are solid, and staff will continue to be good stewards of taxpayer’s dollars.

## **CITY COUNCIL WORK PLAN FY2023 Goals and Objectives**

### **CITY COUNCIL VISION STATEMENT**

*To be a diverse City of Choice for businesses and residents alike as a result of our location, natural resources, culture, and educational opportunities.*

The following items are included in the FY2023 goals and objectives for the City:

#### **GOAL 1) ENHANCE THE QUALITY OF LIFE FOR LAGO VISTA RESIDENTS**

- A. Develop and update the 2022-2027 Capital Improvement Plan.  
*CITY COUNCIL, CITY MANAGER, PUBLIC WORKS, PARKS AND RECREATION*
- B. Implement the FY2023 Capital Improvement Plan.  
*PUBLIC WORKS AND PARKS AND RECREATION*
- C. Initiate an election to withdraw from Capital Metropolitan Transportation Authority.
  - 1. Prepare language for a proposition to withdraw from CapMetro to be included on the November election.
  - 2. Prepare Voter Flyer to provide voters with information.
  - 3. Prepare a video with information for social media.
  - 4. Host a Town Hall meeting in October to provide transparency and provide information.
  - 5. Investigate alternative options for public transportation should voters decide to withdraw from the CapMetro services.  
*CITY COUNCIL, CITY MANAGER, CITY ATTORNEY, CITY SECRETARY AND PUBLIC INFORMATION OFFICER*
- D. Explore the possibility of a Green Center at the Alfalfa city owned property.
  - 1. Conduct a site development plan for the property.
  - 2. Investigate environmental concerns depending on what will be disposed of at the site.  
*PUBLIC WORKS DEPARTMENT*
- E. Continue enhancements at Sunset Park
  - 1. Meet the requirements for the Texas Parks and Wildlife Grant.
  - 2. Provide appropriate fencing to soccer fields.
  - 3. Transition from Type 2 effluent water to Type 1 effluent water.
  - 4. Include ADA component to the existing playground equipment.  
*PARKS AND RECREATION AND PUBLIC WORKS*

- F. Initiate a Certificate of Obligation Bond for the street rehabilitation program, water and wastewater infrastructure and golf course effluent irrigation.  
CITY MANAGER, CITY ATTORNEY AND CITY COUNCIL

**GOAL 2) CONTINUE COLLABORATIVE EFFORTS**

- A. Work cooperatively with Travis County ESD
  - 1. Continue meeting with the Travis County Fire Chief to discuss cooperative efforts and stay abreast of issues within the community.
  - 2. Renew the Interlocal Agreement for Emergency Management Services
  - 3. Present the revised Interlocal Agreement for Emergency Management Services to City Council  
*CITY MANAGER, CITY ATTORNEY AND CITY COUNCIL*
- B. Work cooperatively with the Lago Vista Independent School District
  - 1. Assist with street signage and tree trimming to provide safe routes for ISD bus service.
  - 2. Provide additional Officer appearance at school zones and schools.
  - 3. Work to provide a traffic plan for the elementary school on Dawn Drive.  
*CITY MANAGER, PUBLIC WORKS AND POLICE DEPARTMENT*
- C. Work with the Lago Vista Property Owners Association (LVPOA)
  - 1. Work to resolve the assessment issue with LVPOA.  
*CITY MANAGER, CITY ATTORNEY AND CITY COUNCIL*
- D. Work with local jurisdictions and TXDOT to improve conditions along 1431
  - 1. Collaborate with Jonestown, Point Venture, Travis County, CAPCOG and TXDOT to provide input and feedback on the safety concerns regarding 1431.
  - 2. Work with all surrounding jurisdictions to discuss evacuation plans in the event of an emergency.  
*CITY MANAGER, PUBLIC WORKS, POLICE DEPARTMENT AND CITY COUNCIL*
- E. Work with the Rusty Allen Airport Property Owners Association and property owners to develop a Through The Fence Agreement for both residential and commercial that would put the Rusty Allen airport in good standing with the Federal Aviation Administration.  
*CITY MANAGER, CITY ATTORNEY, PARKS AND RECREATION AND CITY COUNCIL*
- F. Work with the Turnback Canyon Trail Conservancy.
  - 1. Coordinate with the conservancy organization to find a way to assist with the construction of the Turnback Canyon Trail.
  - 2. Make a presentation to the City Council explaining the collaborative effort.
  - 3. Work with the Conservancy to meet the obligations of the Texas Parks and Wildlife Grant.  
*CITY MANAGER, CITY ATTORNEY, PARKS AND RECREATION AND CITY COUNCIL*

**GOAL 3) MAINTAIN A SAFE, CLEAN, AND ATTRACTIVE COMMUNITY**

- A. Conduct a strategic review of city ordinances to bring current with state laws and address those in need of updating.
  - 1. Update the Sign Ordinance to address content neutrality.
  - 2. Amend the Animal Ordinance to address state laws.
  - 3. Adopt a Contractor Registration Ordinance.

*CITY COUNCIL, PLANNING AND ZONING, DEVELOPMENT SERVICES AND POLICE DEPARTMENT*
- B. Continue to enhance amenities at Sunset Park
  - 1. Design and construct a safe entrance to Sunset Park
  - 2. Complete the requirements of the Texas Parks and Wildlife Grant with the proper amenities.
  - 3. Seek reimbursement from the Texas Parks and Wildlife after meeting the requirements of the grant.

*PARKS AND RECREATION AND FINANCE*
- C. Complete the Emergency Response Annexes to include in the Emergency Management Plan with Travis County ESD.
 

*ALL DEPARTMENTS AND CITY COUNCIL*
- D. Hire another Code Enforcement Officer and Building Inspector to assist with property maintenance and building codes.
 

*DEVELOPMENT SERVICES AND HUMAN RESOURCES*
- E. Begin the civil process to address the abatement of Lago Vista Way.
  - 1. Hire a contractor to clean the area, remove the substandard wall and secure the area with fencing.
  - 2. Place liens of property owners who have not abated the illegal dumping and substandard structures.

*DEVELOPMENT SERVICES, CODE ENFORCEMENT, CITY MANAGER, CITY ATTORNEY AND CITY COUNCIL*
- F. Conduct a Traffic Safety Analysis of Lago Vista.
  - 1. Work with Freese and Nichols to develop a scope of work.

*PUBLIC WORKS AND CITY COUNCIL*
- G. Work with a consultant to design a master plan for irrigation at the Lago Vista Golf Course.
 

*GOLF COURSE*
- H. Continue to mow city rights-of-way and conduct tree trimming to provide safe line of sight at intersections.
 

*PUBLIC WORKS*
- I. Evaluate Animal Control options for the future.
  - 1. Meet with other jurisdictions and animal shelters to discuss collaborative efforts.
  - 2. Track animal control calls to analyze the need for a full-time Animal Control Officer

*CITY MANAGER AND POLICE DEPARTMENT*

**GOAL 4) MAINTAIN A QUALITY WORKPLACE FOR EMPLOYEES**

- A. Develop an employee survey to distribute to staff for honest feedback and effective employee communication.
 

*CITY MANAGER*

- B. Construct a new temporary municipal building along Dawn Drive on city property.
  - 1. Secure engineering and design concepts from Vesta Modular.
  - 2. Work with a vendor to provide turn-key services to place a modular building along Dawn Drive.
  - 3. Provide coordination for the move from existing municipal building to the temporary.

*DEVELOPMENT SERVICES, PUBLIC WORKS AND CITY MANAGER*
- C. Implement the salary adjustments from the compensation study into FY2022-2023 salaries.
  - 1. Conduct an evaluation of certification, years of experience, performance, and tenure to make salary range decisions based on the compensation study.

*HUMAN RESOURCES, FINANCE AND CITY MANAGER*
- D. Provide training opportunities for current staff, to include harassment, diversity, and customer service
 

*HUMAN RESOURCES*
- E. Create opportunities for staff comradery.
  - 1. Host a Chili Cookoff for staff to participate with chili and desserts.
  - 2. Continue the “Leaves of Thanks” program.
  - 3. Provide opportunities to show appreciation to staff.

*ALL DEPARTMENTS*

**GOAL 5) MAINTAIN TRANSPARENCY**

- A. Develop and implement a Procurement Policy for city purchases.
  - 1. Update the Travel Policy to be considered with the Procurement Policy.
  - 2. Update the Credit Card Policy to also be incorporated into the Procurement Police.
  - 3. Present the Procurement Policy to the City Council for adoption.
  - 4. Provide training to staff on the Procurement Policy before allowing additional purchases or credit card spending.

*ALL DEPARTMENTS AND CITY COUNCIL*
- B. Hire a Procurement Manager to assist with purchasing, contracts and state purchasing guidelines.
 

*CITY MANAGER, HUMAN RESOURCES AND FINANCE*
- C. Develop and implement a social media policy.
 

*CITY COUNCIL, CITY MANAGER, CITY ATTORNEY AND PUBLIC INFORMATION OFFICER*
- D. Continue to provide a Weekly Report for staff, City Council, and the community.
 

*CITY MANAGER AND ALL DEPARTMENTS*

**GOAL 6) ENHANCE MARKETING, COMMUNICATION AND ECONOMIC DEVELOPMENT FOR LAGO VISTA**

- A. Design a new City website.
  - 1. Solicit website designers through a Request for Proposal process.
  - 2. Initiate a contract with a website designer.

3. Provide information and feedback to make the City website more user friendly.
4. Establish “Notify Me” pushes to residents and FAQ for the website.  
*CITY MANAGER AND ALL DEPARTMENTS*
- B. Erect digital signage along Lohman Ford Road to provide better communication and compliance of the sign ordinance.
  1. Explore opportunities for collaborative efforts with private entities for an additional electronic sign along 1431.  
*DEVELOPMENT SERVICES, CODE ENFORCEMENT, CITY MANAGER, CITY ATTORNEY AND CITY COUNCIL*
- C. Continue to provide City Council with the Master Agenda List for agenda updates.  
*CITY MANAGER*
- D. Develop a Business-Friendly Program to assist small business owners as they go through the permitting and Development Services process.
  1. Provide an ombudsman for business owners to ask for guidance when starting the process with the City.  
*ECONOMIC DEVELOPMENT AND DEVELOPMENT SERVICES*
- E. Continue to host Lago Fest for residents and visitors.
  1. Draft a sponsorship letter to get sponsors early in the process.
  2. Work collaboratively with local organizations and volunteers to develop plans and divide responsibilities.
  3. Work with ESD and the Police Department to create a safe event.  
*ECONOMIC DEVELOPMENT, PUBLIC INFORMATION OFFICER, PUBLIC WORKS, CITY MANAGER, PARKS AND RECREATION, DEVELOPMENT SERVICE AND POLICE DEPARTMENT*

**GOAL 7) SUSTAINABILITY TO INCLUDE SOCIAL EQUITY, ENVIRONMENTAL PROTECTION, CONSERVATION AND SMART GROWTH**

- A. Amend Chapter 14. Section 20, Tree Preservation and Landscaping Requirements to allow for broader use of funds for municipal park enhancements and projects that further protect the watershed.
  1. Present amended language to the Planning and Zoning Commission.
  2. Present Planning and Zoning recommendation to the City Council.  
*DEVELOPMENT SERVICES, PUBLIC WORKS, CITY ATTORNEY, PARKS AND RECREATION, PLANNING AND ZONING AND CITY COUNCIL*
- B. Update the Comprehensive Master Plan
  1. Secure a consultant to conduct the update process
  2. Update the Future Land Use Map as a part of the Comprehensive Plan process
  3. Develop a Park Master Plan to include as a part of the Comprehensive Master Plan  
*DEVELOPMENT SERVICES, PUBLIC WORKS, PARKS AND RECREATION, CITY MANAGER, PLANNING AND ZONING AND CITY COUNCIL*
- C. Complete the Water/Wastewater model to provide accurate capacity usage and forecast impacts to capacity with future development.

1. Work with Freese and Nichols to develop the water/wastewater model and keep logs of current and future development entitlements.

*PUBLIC INFORMATION OFFICER, DESOTO CHAMBER OF COMMERCE, INFORMATION TECHNOLOGY (Quarters 1-4)*

D. Establish a process for Code Enforcement to address substandard structures.

1. Work with Municipal Court to implement civil cases to be generated through the InCode system.

*CITY ATTORNEY, CODE ENFORCEMENT AND MUNICIPAL COURT*

**GOAL 8) ENHANCE EFFICIENCY AND EFFECTIVENESS OF THE ORGANIZATION**

A. Implement an Enterprise Resource Program for financial processes to provide more efficiency with monthly reporting, budget process and displaying work plan objectives for public transparency.

*ALL DEPARTMENTS*

B. Secure a grant writer to assist with grant opportunities and program grant management.

1. Initiative a professional services contract with a grant writer to provide grant opportunities and reporting for awarded grants.

*ECONOMIC DEVELOPMENT, CITY MANAGER AND DEVELOPMENT SERVICES*

C. Develop a plan for succession planning.

1. Conduct cross training opportunities to provide better continuity in operations.

2. Develop Standard Operating Procedures to document process.

*ALL DEPARTMENTS*

D. Implement a paperless process in Municipal Court.

1. Obtain software to provide quality control for document scanning.

2. Scan existing documents into software and document any record destruction according to the State Record Retention schedule.

*MUNICIPAL COURT*

Total Project Cost		Operating Budget Impact/Other:	
<b>\$9,375,000</b>		In order to rehabilitate these streets utilizing contract work, City staff will be required to use manpower, expend operating funds to purchase materials, and prepare these roadways for that final work. This project is based off of the amount of work the Public Works Department can do preping streets in the fiscal year and funds available.	
Status, Priority, Justification and Project Management			
Project Status	New		
Priority	High		
Justification	Expansion		
Managing Department	Public Works		
Project Details			
This will address street maintenance on several City streets identified in the City's Roadway Master Plan. Streets have not been maintained properly over the last decade.			
The project will consist of milling, overlaying and striping the streets identified in the paving master plan. City staff will do simple crack seal, base prep work, and small paving jobs. Contractors will be utilized for the larger jobs. There are 46 streets identified for FY 2023. Given current market conditions, there is a chance not all 46 streets will be rehabilitated.

Total Project Cost	Operating Budget Impact/Other:	
\$948,000	Funding for other improvement will depend on Travis County Parks participation. Cobb & Fendley's services are being used to design and inspect the construction.	
Status, Priority, Justification and Project Management		
Project Status		New
Priority		Medium
Justification		Expansion
Managing Department	Parks	
Project Details		
The project was initiated in 2017 with a Texas Parks and Wildlife Department (TPWD) grant and awarded the first of two \$500K grants from TPWD. The first grant allowed for reimbursement of the land purchase and prep work for the site. The second TPWD grant began in 2019 and includes several park amenities.		
FY23 has programmed \$350,000 for the construction of an eastern access roadway to 1431. The Engineer's OPC, came in at roughly \$335,000 to construct the access drive. There is \$100,000 in professional services for design and inspection services. The other park items such as volleyball, skate, bank shot, solar lighting are a requirement of the grant to meet the terms, and using the estimate from FY-22, we have programmed \$498,000 into the budget. It is estimated that \$480,000 from the General Fund will need to be obligated to complete this project.

Project Status		New
Priority		High
Justification		Expansion
Managing Department	Public Works	
Project Details		
The City will be utilizing the Alfalfa Property as the new Green Center, as well as a lay down/storage area for the Public Works Equipment. This will require an engineered site design for ingress/egress, grading & drainage, and utilities. The \$150,000 programmed for FY-23 is for the engineering design. The \$1,500,000 programmed for FY-24 is an arbitrary number used as a place holder. This value will change depending on the full scope provided to the design team.

Status, Priority, Justification and Project Management	
Project Status: New	
Priority: High	
Justification: Expansion	
Managing Department: Public Works	
Project Details	
<p>Currently, this waterline is undersized and cannot function as a transmission pipe. The need for the larger pipe is increasing with the development north of town. The City previously acquired two (2) lots for this project.</p> <p>This project consists of adding approximately 3,000 feet of new 12" transmission pipe and abandon portions of older 8" pipe and will require boring under 1431.</p> <p>The Engineer's OPC is roughly \$430,000 which is well below the amount of \$806,000 stated in the FY-22 CIP. We budgeted \$500,000 to account for price increases and unforeseen issues that arise during the construction process.</p>

<p>The City has not had a working water model done on its system. This tool will provide the City the capability of continuously updating the model with upgrades to the system. It will also give the City the capability of having a new development's projected demand plugged into the model to see if we have the capacity to serve them. If we do not have the capacity, it will let the City know which upgrades to make to the system.</p> <p>This will also double as a water master plan which will outline our CIP Projects in the future.</p> <p>This project was originally the WTP Analysis for \$800K that was approved for FY22. Some of those funds will be utilized this year to start the water model, with the remainder being spent in FY23.</p>

Project Details	
<p>There are funds still available from the 2017 Bond that can be spent to upgrade our Cedar Breaks Effluent Pond to a Type 1 disposal from a Type 2. This will allow the City to send effluent to Sunset Park to irrigate their ball fields. This will save the City approximately 400,000 - 500,000 gallons per month in potable water that is currently being used to irrigate the fields.</p> <p>This project will be designed by an engineer and sent out for competitive bids. These numbers are pure estimates, as this is a new project. However, there are approximately \$553,000 leftover from the 2017 Bonds, and we feel we could get this project done with that amount.</p>

**NOTICE OF TAX RATES,  
ESTIMATED UNENCUMBERED FUND BALANCES, AND DEBT SERVICE**

I, Bruce Elfant, Tax Assessor-Collector for Travis County, in accordance with Sec. 26.04, Texas Property Tax Code, provide this notice on 2022 property tax rates for your jurisdiction. This notice presents information about two tax rates. The No-New-Revenue tax rate would impose the same amount of taxes as last year if you compare the properties taxed in both years. The Voter-Approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as they are required by state law. The rates are given per \$100 of property value.

**THIS YEAR'S NO-NEW-REVENUE TAX RATE:**

Last year's adjusted taxes (after subtracting taxes on lost property).....	\$	7,707,689.56
/ This year's adjusted tax base (after subtracting value of new property).....	\$	1,880,191,397
= This year's no-new-revenue tax rate.....	\$	0.40990 /\$100

**THIS YEAR'S VOTER-APPROVAL TAX RATE:**

Last year's adjusted operating taxes (after subtracting taxes on lost property and adjusting for transferred function).....	\$	5,142,038.04
/ This year's adjusted tax base.....	\$	1,880,191,397
= This year's no-new-revenue operating rate.....	\$	0.2734 /\$100
x 1.035 = This year's maximum operating rate.....	\$	0.2829 /\$100
+ This year's debt rate.....	\$	0.1324 /\$100
= This year's voter-approval rate.....	\$	0.4283 /\$100

(Maximum rate the taxing unit can adopt without an election for voter approval)

**Schedule A: Unencumbered Fund Balances:**

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Maintenance & Operations	\$	0
Interest & Sinking (Debt)	\$	0
Total	\$	0

**Schedule B, 2022 Debt Service, Parts 1 and 2, are attached**

2022  
NO-NEW-REVENUE TAX RATE WORKSHEET

<p>1. <b>2021 total taxable value.</b> Enter the amount of 2021 taxable value on the 2021 tax roll today. Include any adjustments since last year's certification; exclude the Section 25.25 (d) one-fourth and one-third over-appraisal corrections from these adjustments. This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2) and the captured value for tax increment financing (adjustment is made by deducting TIF taxes, as reflected in Line 17).</p>	\$	1,274,349,231
<p>2. <b>2021 tax ceilings.</b></p>	\$	0
<p>3. <b>Preliminary 2021 adjusted taxable value.</b> Subtract line 2 from line 1.</p>	\$	1,274,349,231
<p>4. <b>2021 total adopted tax rate.</b></p>	\$	0.6070 /\$100
<p>5. <b>2021 taxable value lost because court appeals of ARB decisions reduced 2021 appraised value.</b></p> <p style="margin-left: 20px;"><b>A. Original 2021 ARB values:</b></p> <p style="margin-left: 20px;"><b>B. 2021 values resulting from final court decisions:</b></p> <p style="margin-left: 20px;"><b>C. 2021 value loss.</b> Subtract B from A :</p>	\$	0
<p>6. <b>2021 taxable value subject to an appeal under Chapter 42, as of July 25</b></p> <p style="margin-left: 20px;"><b>A. 2021 ARB certified value:</b></p> <p style="margin-left: 20px;"><b>B. 2021 disputed value:</b></p> <p style="margin-left: 20px;"><b>C. 2021 undisputed value.</b> Subtract B from A.</p>	\$	18,065,248
<p>7. <b>2021 Chapter 42-related adjusted values</b> Add Lines 5C and 6C</p>	\$	16,258,723
<p>8. <b>2021 taxable value, adjusted for actual or potential court-ordered adjustments.</b> Add Line 3 and Line 7.</p>	\$	1,290,607,954
<p>9. <b>2021 taxable value of property in territory the taxing unit deannexed after Jan. 1, 2021.</b> Enter the 2021 value of property in deannexed territory.</p>	\$	0
<p>10. <b>2021 taxable value lost because property first qualified for an exemption in 2022.</b> If the taxing unit increased an original exemption, use the difference between the original exempted amount and the increased exempted amount. Do not include value lost due to freeport, goods-in-transit, or temporary disaster exemptions. Note that lowering the amount or percentage of an existing exemption in 2022 does not create a new exemption or reduce taxable value.</p> <p style="margin-left: 20px;"><b>A. Absolute exemptions.</b> Use 2021 Market Value:</p> <p style="margin-left: 20px;"><b>B. Partial exemptions.</b> 2022 exemption amount, or 2022 percentage exemption times 2021 value:</p> <p style="margin-left: 20px;"><b>C. Value loss.</b> Add A and B:</p>	\$	0
<p style="margin-left: 20px;">+ \$</p>	\$	21,844,235
<p style="margin-left: 20px;">\$</p>	\$	21,844,235

<b>11. 2021 taxable value lost because property first qualified for agricultural appraisal (1-d or 1-d-1), timber appraisal, recreational/scenic appraisal, or public access airport special appraisal in 2022.</b> Use only properties that first qualified in 2022; do not use properties that qualified in 2021.		
<b>A. 2021 market value:</b>	\$	0
<b>B. 2022 productivity or special appraised value:</b>	-\$	0
<b>C. Value loss.</b> Subtract B from A.	\$	0
<b>12. Total adjustments for lost value.</b> Add Lines 9, 10C, and 11C.	\$	21,844,235
<b>13. 2021 captured value of property in a TIF.</b> Enter the total value of 2021 captured appraised value of property taxable by a taxing unit in a tax increment financing zone for which 2021 taxes were deposited into the tax increment fund. If the taxing unit has no captured appraised value in line 18D, enter 0.	\$	0.00
<b>14. 2021 total value.</b> Subtract Line 12 and Line 13 from Line 8.	\$	1,268,763,719
<b>15. Adjusted 2021 total levy.</b> Multiply Line 4 by Line 14 and divide by \$100.	\$	7,701,395.77
<b>16. Taxes refunded for years preceding tax year 2021.</b> Enter the amount of taxes refunded by the taxing unit for tax years preceding tax year 2021. Types of refunds include court decisions, Tax Code Section 25.25 (b) and (c) corrections and Tax Code Section 31.11 payment errors. Do not include refunds for tax year 2021. This line applies only to tax years preceding tax year 2021.	\$	6,293.79
<b>17. Adjusted 2021 levy with refunds and TIF adjustment.</b> Add Lines 15 and 16.	\$	7,707,689.56
<b>18. Total 2022 taxable value on the 2022 certified appraisal roll today.</b> This value includes only certified values or certified estimates of values and includes the total taxable value of homesteads with tax ceilings (will deduct in Line 20). These homesteads include homeowners age 65 or older or disabled.		
<b>A. Certified values</b>	\$	1,823,169,826
<b>B. Counties:</b> Include railroad rolling stock values certified by the State Comptroller:	+\$	0
<b>C. Pollution Control and energy storage system exemption:</b> Deduct the value of property exempted for the current tax year for the first time as pollution control or energy storage system property:	-\$	0
<b>D. Tax increment financing:</b> Deduct the 2022 captured appraised value of property taxable by a taxing unit in a tax increment financing zone for which the 2022 taxes will be deposited into tax increment fund. Do not include any new property value that that will be included in Line 23 below.	-\$	0
<b>E. Total 2022 value.</b> Add A and B, then subtract C and D.	\$	1,823,169,826

2022  
VOTER-APPROVAL TAX RATE WORKSHEET

<b>28. 2021 M&amp;O tax rate</b>	\$	0.3981 /\$100
<b>29. 2021 taxable value, adjusted for actual and potential court-ordered adjustments.</b> Enter the amount in Line 8 of the No-New-Revenue Tax Rate Worksheet.	\$	1,290,607,954
<b>30. Total 2021 M&amp;O levy.</b> Multiply Line 28 by Line 29 and divide by \$100.	\$	5,137,910.26
<b>31. Adjusted 2021 levy for calculating NNR M&amp;O rate.</b>		
<b>A. M&amp;O taxes refunded for years preceding tax year 2021.</b> Enter the amount of M&O taxes refunded in the preceding year for taxes before that year. Types of refunds include court decisions, Tax Code Section 25.25(b) and (c) corrections and Tax Code Section 31.11 payment errors. Do not include refunds for tax year 2021. This line only applies to tax years preceding tax year 2021.		
+\$		4,127.77
<b>B. 2021 taxes in TIF.</b> Enter the amount of taxes paid into the tax increment fund for a reinvestment zone as agreed by the taxing unit. If the taxing unit has no 2021 captured appraised value in Line 18D, enter 0.		
-\$		0.00
<b>C. 2021 transferred function.</b> If discontinuing all of a department, function or activity and transferring it to another unit by written contract, enter the amount spent by the taxing unit discontinuing the function in the 12 months preceding the month of this calculation. If the taxing unit did not operate this function for this 12-month period, use the amount spent in the last full fiscal year in which the taxing unit operated the function. The taxing unit discontinuing the function will subtract this amount in F below. The taxing unit receiving the function will add this amount in F below. Other taxing units enter 0.		
+/- \$		0.00
<b>D. 2021 M&amp;O levy adjustments.</b> Subtract B from A. For a taxing unit with C, subtract if discontinuing function and add if receiving function.		
\$		4,127.77
<b>E. Add Line 30 to 31D.</b>	\$	5,142,038.04
<b>32. 2022 adjusted taxable value.</b> Enter the amount in Line 25 of the NNR Tax Rate Worksheet	\$	1,880,191,397.00
<b>33. 2022 NNR M&amp;O rate (unadjusted).</b> Divide Line 31E by Line 32 and multiply by \$100.	\$	0.2734 /\$100

34. **Rate adjustment for state criminal justice mandate.**

**A. 2022 state criminal justice mandate.** Enter the amount spent by a county in the previous 12 months providing for the maintenance and operation cost of keeping inmates in county-paid facilities after they have been sentenced. Do not include any state reimbursement received by the county for the same purpose.

\$ 0.00

**B. 2021 state criminal justice mandate.** Enter the amount spent by a county in the 12 months prior to the previous 12 providing for the maintenance and operation cost of keeping inmates in county-paid facilities after they have been sentenced. Do not include any state reimbursement received by the county for the same purpose. Enter zero if this is the first time the mandate applies.

\$ 0.00

**C.** Subtract B from A and divide by Line 32 and multiply by \$100.

\$ 0.0000

**D.** Enter the rate calculated in C. If not applicable, enter 0.

\$ 0.0000 /\$100

35. **Rate adjustment for indigent health care expenditures.**

**A. 2022 indigent health care expenditures.** Enter the amount paid by a taxing unit providing for the maintenance and operation cost of providing indigent health care for the period beginning on July 1, 2021 and ending on June 30, 2022, less any state assistance received for the same purpose.

\$ 0.00

**B. 2021 indigent health care expenditures.** Enter the amount paid by a taxing unit providing for the maintenance and operation cost of providing indigent health care for the period beginning on July 1, 2020 and ending on June 30, 2021, less any state assistance received for the same purpose.

\$ 0.00

**C.** Subtract B from A and divide by Line 32 and multiply by \$100.

\$ 0.0000

**D.** Enter the rate calculated in C. If not applicable, enter 0.

\$ 0.0000 /\$100

36. **Rate adjustment for county indigent defense compensation.**

**A. 2022 indigent defense compensation expenditures.** Enter the amount paid by a county to provide appointed counsel for indigent individuals for the period beginning on July 1, 2021 and ending on June 30, 2022, less any state grants received by the county for the same purpose.

\$ 0.00

**B. 2021 indigent defense compensation expenditures.** Enter the amount paid by a county to provide appointed counsel for indigent individuals for the period beginning on July 1, 2020 and ending on June 30, 2021, less any state grants received by the county for the same purpose.

\$ 0.00

**C.** Subtract B from A and divide by Line 32 and multiply by \$100.

\$ 0.00

**D.** Multiply B by 0.05 and divide by Line 32 and multiply by \$100.

\$ 0.00

**E.** Enter the lesser of C and D. If not applicable, enter 0.

\$ 0.0000 /\$100

37. **Rate adjustment for county hospital expenditures.**

**A. 2022 eligible county hospital expenditures.** Enter the amount paid by the county or municipality to maintain and operate an eligible county hospital for the period beginning on July 1, 2021 and ending on June 30, 2022.

\$ 0.00

**B. 2021 eligible county hospital expenditures.** Enter the amount paid by the county or municipality to maintain and operate an eligible county hospital for the period beginning on July 1, 2020 and ending on June 30, 2021.

\$ 0.00

**C.** Subtract B from A and divide by Line 32 and multiply by \$100.

\$ 0.00

**D.** Multiply B by 0.08 and divide by Line 32 and multiply by \$100.

\$ 0.00

**E.** Enter the lesser of C and D. If not applicable, enter 0.

\$ 0.0000 /\$100

38. **Rate adjustment for municipality.** This adjustment only applies to a municipality that is considered to be a defunding municipality for the current tax year under Chapter 109, Local Government Code, which only applies to municipalities with a population of more than 250,000 and includes a written determination by the Office of the Governor. See Tax Code 26.0444 for more information.

**A. Amount appropriated for public safety in 2021.** Enter the amount of money appropriated for public safety in the budget adopted by the municipality for the preceding fiscal year

\$ 0.00

**B. Expenditures for public safety in 2021.** Enter the amount of money spent by the municipality for public safety during the preceding fiscal year.

\$ 0.00

**C.** Subtract B from A and divide by Line 32 and multiply by \$100.

\$ 0.0000

**D.** Enter the rate calculated in C. If not applicable, enter 0.

\$ 0.0000 /\$100

39. **Adjusted 2022 NNR M&O rate.**

Add Lines 33, 34D, 35D, 36E, and 37E. Subtract Line 38D.

\$ 0.2734 /\$100

40. **Adjustment for 2021 sales tax specifically to reduce property values.** Cities, counties, and hospital districts that collected and spent additional sales tax on M&O expenses in 2021 should complete this line. These entities will deduct the sales tax gain rate for 2022 in Section 3. Other taxing units, enter zero.

**A.** Enter the amount of additional sales tax collected and spent on M&O expenses in 2021, if any. Counties must exclude any amount that was spent for economic development grants from the amount of sales tax spent.

\$ 0.00

**B.** Divide Line 40A by Line 32 and multiply by \$100

\$ 0.0000 /\$100

**C.** Add Line 40B to Line 39.

\$ 0.2734 /\$100

**41. 2022 voter-approval M&O rate.**

Enter the rate as calculated by the appropriate scenario below.

**Special Taxing Unit.** If the taxing unit qualifies as a special taxing unit, multiply Line 40C by 1.08.

'-or-

**Other Taxing Unit.** If the taxing unit does not qualify as a special taxing unit, multiply Line 40C by 1.035.

'-or-

**D41. Disaster Line 41: 2022 voter-approval M&O rate for a taxing unit affected by disaster declaration.** If the taxing unit is located in an area declared a disaster area and at least one person is granted an exemption under Tax Code Section 11.35 for a property located in the taxing unit, the governing body may direct the person calculating the voter-approval rate to calculate in the manner provided for a special taxing unit. The taxing unit shall continue to calculate the voter-approval rate in this manner until the earlier of **1)** the first year in which total taxable value on the certified appraisal roll exceeds the total taxable value of the tax year in which the disaster occurred, or **2)** the third year after the tax year in which the disaster occurred.

If the taxing unit qualifies under this scenario, multiply Line 40C by 1.08,

\$

0.2829 /\$100

**42. Total 2022 debt to be paid with property taxes and additional sales tax revenue.** Debt means the interest and principal that will be paid on debts that:

- (1) are paid by property taxes
- (2) are secured by property taxes
- (3) are scheduled for payment over a period longer than one year, and
- (4) are not classified in the taxing unit's budget as M&O expenses.

**A. Debt** also includes contractual payments to other taxing units that have incurred debts on behalf of this taxing unit, if those debts meet the four conditions above.

Include only amounts that will be paid from property tax revenue. Do not include appraisal district budget payments.

\$ 2,679,358.16

**B. Subtract unencumbered fund amount** used to reduce total debt.

-\$ 0.00

**C. Subtract certified amount spent from sales tax to reduce debt** (enter zero if none).

-\$ 0.00

**D. Subtract amount paid** from other resources.

-\$ 0.00

**E. Adjusted debt.** Subtract B, C, and D from A.

\$

2,679,358.16

43. <b>Certified 2021 excess debt collections.</b> Enter the amount certified by the collector.	\$	0.00
44. <b>Adjusted 2022 debt.</b> Subtract Line 43 from Line 42E.	\$	2,679,358.16
45. <b>2022 anticipated collection rate.</b>		
A. Enter the 2022 anticipated collection rate certified by the collector.	100.00%	
B. Enter the 2021 actual collection rate	100%	
C. Enter the 2020 actual collection rate	102%	
D. Enter the 2019 actual collection rate	100%	
E. If the anticipated collection rate in A is lower than actual collection rates in B, C, and D, enter the lowest collection rate from B, C, and D. If the anticipated rate in A is higher than at least one of the rates in the prior three years, enter the rate from A. Note that the rate can be greater than 100%.		100%
46. <b>2022 debt adjusted for collections.</b> Divide Line 44 by Line 45E	\$	2,679,358.16
47. <b>2022 total taxable value.</b> Enter the amount on Line 21 of the No-New-Revenue Tax Rate Worksheet.	\$	2,023,296,578
48. <b>2022 debt tax rate.</b> Divide Line 46 by Line 47 and multiply by \$100	\$	0.1324 /\$100
49. <b>2022 voter-approval tax rate.</b> Add Lines 41 and 48.	\$	0.4153 /\$100
<b>D49. Distaster Line 49 (D49): 2022 voter-approval tax rate for taxing unit affected by disaster declaration.</b> Complete this line if the taxing unit calculated the voter-approval tax rate in the manner provided for a special taxing unit on Line D41. Add Line D41 and 48.	\$	0.4153 /\$100
50. <b>COUNTIES ONLY.</b> Add together the voter-approval tax rates for each type of tax the county levies. The total is the 2022 county voter-approval tax rate.	\$	N/A

2022  
ADDITIONAL SALES TAX WORKSHEET

51. **Taxable sales.** Units that adopted the sales tax in August or November 2021 or May 2022, enter the Comptroller's estimate of taxable sales for the previous four quarters. Estimates of taxable sales may be obtained through the Comptroller's Allocation Historical Summary webpage. Taxing units that adopted the sales tax before Nov. 2021, skip this line. \$ 0.00
52. **Estimated sales tax revenue.** Counties exclude any amount that is or will be spent for economic development grants from the amount of estimated sales tax revenue.
- UNITS THAT ADOPTED THE SALES TAX IN NOVEMBER 2021 OR MAY 2022.**  
Multiply the amount on line 50 by the sales tax rate (.01, .005, or .0025, as applicable) and multiply the result by .95.

# **City of Lago Vista**

## **Fiscal & Budgetary Policy**

**Adopted September 6, 2022**

# City of Lago Vista

## Fiscal and Budgetary Policy

Statutory Authorization: The following document provides a framework for fiscal stewardship of the City. It operates within the confines of 1) federal and state law, 2) city charter, and 3) city code of ordinances. Any conflict herein will be subordinate to those legal authorities.

Governance: The City Manager serves as the Chief Financial Officer (CFO) of the City and appoints a Director of Finance/Treasurer or similar position to oversee the administration of these policies.

### I. PURPOSE

The City of Lago Vista is committed to transparent financial management through integrity, prudent stewardship, planning, accountability, full disclosure, and communication. The broadpurpose of the Fiscal and Budgetary Policies is to enable the City to achieve and maintain a long-term stable and positive financial condition and provide guidelines for the day-to-day planning and operations of the City’s financial affairs.

The scope of this policy generally spans areas of accounting and financial reporting, both operating and capital budgeting, revenue management, investment and asset management, debt management and forecasting, and a system of internal controls. This is done in order to:

- A. Demonstrate to the citizens of Lago Vista, the investment community, and the bond rating agencies that the City is committed to a strong fiscal operation;*
- B. Provide precedents for future policy makers and financial managers on common financial goals and strategies;*
- C. Fairly present and fully disclose the financial position of the City in conformity to generally accepted accounting principles (GAAP);*
- D. Demonstrate compliance with finance-related legal and contractual issues in accordance with the Texas Local Government Code and other legal mandates; and*
- E. Ensure full transparency in the governance of public funds entrusted to the City Council and City staff to manage and protect.*

These policies will be reviewed and updated annually as part of the budget preparation process. Council members will separately adopt these policies through resolution.

#### A. Funds Governed

The budgeted funds for the City of Lago Vista include:

Governmental Funds: General Fund which accounts for all financial resources except those required to be accounted for in another fund, and include basic governmental services, such as Police, Public Works and Parks functions among others.

Special Revenue Funds (SRF): Account for specific revenues that are legally restricted for specified purposes. The City currently budgets three SRF type funds: Hotel Occupancy Tax, Impact Fees, and Parkland Dedication.

Debt Service Fund: Is used to account for the payment of general long-term debt principal and interest.

Capital Project Funds: Used to account for the acquisition or construction of major capital facilities other than those financed by enterprise activities. A variety of project funds will be created based on the nature of the projects and the sources of funding.

Proprietary and Enterprise Funds: Include the City's "business like" activities including utility, golf, and aviation funds.

The City will also make use of sub-ledger 'accounts' as a basis for tracking restricted funds where administratively feasible. Those include:

- Court – City Truancy Prevention Fees, State Court Cost Fees, Building Security Fees, Court Technology Fees, City Judicial Fees, and Juvenile Case Management Fees
- Police – School Crossing Guard, LEOSE, CAPCO, Bulletproof Vest Development Services – Escrow accounts

## **B. Basis of Accounting and Basis of Budgeting**

Generally Accepted Accounting Principles (GAAP) are the rules established by the Governmental Accounting Standards Board. The City will follow the standards in their annual financial reports on or by the designated effective reporting date.

The City accounts and budgets for all Governmental Funds using the modified accrual basis of accounting. This basis means that revenue is recognized in the accounting period in which it becomes available and measurable, while expenditures are recognized in the accounting period in which they are incurred. Because the appropriated budget is used as the basis for control and comparison of budgeted and actual amounts, the basis for preparing the budget is the same as the basis of accounting. Exceptions to the modified accrual basis of accounting include:

- *Encumbrances, which are treated as expenditures in the year they are encumbered, not when expended;*
- *Grants, which are considered revenue received; and*
- *Principal and interest on long-term debt, which are recognized when paid.*

General government funds include the general fund, special revenue funds, debt service fund and general capital project funds.

Proprietary Funds, which include the Utility Fund are accounted for and budgeted using the full-accrual basis of accounting. Under this method, revenues are recognized when they are earned and measurable, while expenses are recognized when they are incurred regardless of timing or related cash flows. The basis for preparing the budget is the same as the basis of accounting except for the following:

- *Principal payments on long-term debt and capital outlay, which are treated as budgeted expenses;*
- *Depreciation which is not budgeted; and*
- *Non-budgeted accruals such as compensated absences.*

Year-end comparisons of budget to actual will appear in the financial statements of the City, at a minimum for those funds identified as major funds in the audit process.

## II. OPERATING BUDGET

Budgeting is an essential element of the financial planning, control and evaluation process of municipal government. The “operating budget” is the City’s annual financial operating plan. The annual budget includes all operating departments of the general fund, proprietary funds, debt service funds, special revenue funds, and capital improvement funds of the City.

### A. Comprehensive/Strategic Planning

The Lago Vista “Comprehensive Plan” is the City’s comprehensive plan to preserve, promote and protect public health and general welfare, prevent overcrowding, ensure adequate transportation, availability of necessary utilities and services, and conserve and protect the City’s natural resources. The City’s budget is the Annual Operating Plan element of the Comprehensive Plan.

The Comprehensive Plan is founded on strategic objectives or "policy areas" that are reviewed at least every five years. Funding of City programs should be based upon the objectives set forth in the Master Plan.

The City Charter and the Comprehensive Master Plan describe the budget process as an integral planning tool, suggesting the City plan for both five and one year time horizons. They recommend the budget be focused on these areas and significantly in consonance with the goals and objectives outlined in the comprehensive plan.

### B. Preparation

The Charter (Section 8.02) requires “The City Manager, prior to August first of each year, shall submit to the Council a proposed budget for the ensuing fiscal year and an accompanying budget message.” The budget shall provide "a complete financial plan for all City funds and activities for the ensuing fiscal year. It shall contain all items and contents required by State law. The total of proposed expenditures shall not exceed the total of estimated income plus any accumulated surplus." The City Council shall, after holding public hearings as required by State law, adopt the budget by ordinance no later than the 30th day of September. If it fails to adopt

the budget by September 30th, the budget as proposed by the City Manager shall go into effect until such time as the Council adopts a budget.

### C. Proposed Budget

A proposed budget shall be prepared by the City Manager with the participation of all City Department Heads that is within the provisions of the Charter and in consonance with the guidance contained in the Comprehensive Master Plan.

**1. Elements.** The budget shall include the following basic segments for review and evaluation:

- *Budget Message*
- *General Fund*
- *Utility Fund*
- *Capital Improvement Funds*
- *Hotel Occupancy Fund (HOT)*
- *Debt Service Fund & Investments*
- *Aviation Fund*
- *Golf Fund*
- *Park Fund*
- *Water & Sewer Impact Fee Fund*
- *Section 8.04(b) requires itemized budget by department and agency*

**2. Review.** The budget review process will include provisions for City Council participation, including sufficient time to address policy and fiscal issues, and citizen input through the use of public hearings.

**3. Distribution.** A copy of the proposed budget will be filed with the City Secretary at the time it is submitted to the City Council. A copy will also be available at City Hall and the Public Library for citizen review. It will also be posted on the city website as required.

**4. Notifications.** Public notifications, distribution, including the language incorporated and the methods by which the public gains access to the budget will be governed by state law in effect at that time. State laws affecting the budget and the tax rate include provisions from both the Local Government Code, as well as the Tax Code.

### D. Adoption

Prior to finalization of the budget appropriations, the City Council will hold at least one public hearing, and subsequently adopt the final budget as amended by Ordinance. The budget will be effective for the fiscal year beginning October 1st.

At the City Manager's discretion, the Annual Operating Plan document may be submitted to the Government Finance Officers Association (GFOA) for evaluation and consideration for the Distinguished Budget Presentation Award.

## E. Balanced Budget

The goal of the City is to balance the operating budget with current revenues, whereby, current revenues would match and fund on-going expenditures/expenses. Excess balances in the operating funds from previous years could be used for non-recurring (one-time only) expenditures/expenses or for capital outlay based upon the recommendation of the City Manager and determination by the Council.

## F. Planning

The budget process will be coordinated so that major policy issues are identified prior to the budget approval date. This will allow City Council adequate time for consideration of appropriate decisions and analysis of financial impacts. A budget calendar will be submitted by the City Manager outlining the major steps in the process and the opportunities for City Council review and citizen input.

Outstanding encumbrances will expire if not spent in encumbered year and will have to be re-appropriated.

## G. Reporting

Summary financial reports will be presented to the City Council on a monthly basis. These reports will be in a format appropriate to enable the City Council to understand the overall budget and financial status. Quarterly reports will also be provided as needed which contain updates on the status of projects and related financial goals set forth in the budget and if determined necessary, may also include appropriate budget amendment recommendations.

## H. Control and Accountability

Each Department Head, appointed by the City Manager, should be responsible for the administration of his/her departmental budget. This includes accomplishing the Goals and Objectives adopted as part of the budget and monitoring of their portion of the budget for compliance with spending limitations. The City Manager may transfer any unencumbered funds within a departmental budget category (personnel costs, operations and maintenance or capital) and shall report such transfers to the Council in writing in a timely manner. All other transfers of appropriation or budget amendments require City Council approval as outlined in Section I.

## I. Budget Amendments

The Charter (Section 8.06) provides a method for budget amendments and emergency appropriations. The City Council may authorize, through a majority vote, an emergency expenditure as an amendment to the original budget. This may be done in cases of grave public necessity or to meet an unusual and unforeseen condition that was not known at the time the budget was adopted. In practice, this has been interpreted to include revenue-related expenses within the enterprise funds and timing differences on capital improvement projects. The following criteria will be used in evaluation of budget amendments:

- *Is the request necessary?*
- *Why was the item not budgeted in the normal budget process?*
- *Why can't a transfer be done within the budget to remedy the condition?*

The City Manager must certify availability of revenues or funding sources prior to adoption. The City will amend the budget at year end, if needed, for revenue based expenditures that exceeded budgeted amounts due to increased revenue and recognize any grant funded expenditures for grants received after the budget was adopted or last amended. The City Council may also amend the budget, if necessary, as part of the Mid-Year Review process for any capital project timing adjustments from prior year as well as any other known adjustments needed and approved at that time.

### J. Contingency Appropriations

The budget may include contingency appropriations within designated operating department budgets. These funds are used to offset expenditures for unexpected maintenance or other unanticipated expenses that might occur during the year.

### K. Manager's Contingency Account

The budget may also include a set amount of contingency appropriations within the Administration Budget to be spent at the discretion of the City Manager. These funds may be used to offset expenditures for unexpected purchases and other unanticipated expenses that might occur during the year. The specific amount of contingency funds included in the budget shall be set by the City Council through the adoption of the annual budget.

## III. REVENUE MANAGEMENT

### A. Characteristics

The City will strive for the following optimum characteristics in its revenue system:

- 1. Simplicity** – The City, where possible and without sacrificing accuracy, will strive to keep the revenue system simple in order to reduce compliance costs for the taxpayer or service recipient.
- 2. Certainty** – A knowledge and understanding of revenue sources increases the reliability of the revenue system. The City will understand its revenue sources and enact consistent collection policies to provide assurances that the revenue base will materialize according to budget.
- 3. Equity** – The City will make every effort to maintain equity in its revenue system, i.e., the City should seek to minimize or eliminate all forms of subsidization between entities, funds, services, utilities, and customer classes.
- 4. Revenue Adequacy** – The City should require there be a balance in the revenue system, i.e., the revenue base will have the characteristics of fairness and neutrality as it

applies to cost of service, willingness to pay, and ability to pay.

- 5. Realistic and Conservative Estimates** - Revenues will be estimated realistically and conservatively, recognizing the volatile nature of various revenue streams.
- 6. Administration** – The benefits of a revenue source should exceed the cost of levying and collecting that revenue.
- 7. Diversification and Stability** – A diversified revenue system with a stable source of income is preferred. This will help offset instabilities in revenue sources with large fluctuations due to the economy (sales tax) and variations in the weather (water sales, golf rounds).

## **B. Other Considerations**

The following considerations and issues should guide the City in its revenue policies concerning specific sources of funds:

- 1. Cost/Benefit of Incentives for Economic Development** – The City will use due caution in the analysis of any incentives that are used to encourage development. A cost/benefit (fiscal impact) analysis will be performed as part of the evaluation.
- 2. Non-Recurring Revenues** – One-time or non-recurring revenues should not be used to finance current ongoing operations. Non-recurring revenues should be used only for non-recurring expenditures and not for budget balancing purposes.
- 3. Property Tax Revenues** – All real and business personal property located within the City will be valued at 100% of the fair market value for any given year based on the current appraisal supplied by the Travis County Appraisal District. Conservative budgeted revenue estimates result in a projected ninety-eight percent (98%) budgeted collection rate for current ad valorem taxes. Two percent (2%) of the current ad valorem taxes will be projected as the budget for delinquent ad valorem tax collection. For budgeting purposes, the City will forecast the current year’s effective tax rate at the current collection rate of 100%, unless directed otherwise.
- 4. Interest Income** – Interest earned from investments will be distributed to the funds based on their allocated investments, unless otherwise required by statute or determined by the City Council.
- 5. User-Based Fees and Service Charges** – The City Council will determine how much of the cost of a service should be recovered by fees and charges. A fee can be driven by a cost-recovery approach, such that a service is identified into one of the following categories:
  - **Partial Cost Recovery** – only a stated portion of the direct costs of services will be recovered from fees. These are for such services as library, parks, public safety, and other services where a general benefit ensues to the citizenry as a

whole and specific users cannot be easily ascertained or charged.

- **Direct Cost Recovery** – applies to all direct costs (operating and personnel) in the exchange for a service that is directly beneficial to a particular user. Such services as recreation classes, sports leagues, copying costs, etc. These services gain the benefit of building, facility, and capital use as well as overhead support that are not expected to be captured in a fee.
- **Full Cost Recovery** – applies to all direct operating costs, as well as administrative and capital overhead in the course of providing a service that is uniquely identifiable to a customer who exclusively benefits from that service. Those services would entail all utility programs, and related services. Full cost would capture debt burden, capital costs, overhead fees, as well as personnel and operating expenses.

The City will review fees and charges no less than once every three years to ensure that fees provide adequate coverage for the cost of services.

6. **Utility Fund Rates** – The City annually reviews and adopts utility rates as needed to generate revenues required to attempt to cover operating expenses, meet the legal requirements of all applicable bond covenants, debt service, and provide for an adequate level of working capital for cash flows. Additionally, utility activity rates will consider transfers to other funds as follows:
  - a) General and Administrative Charges – Administrative costs should be charged to all funds for services of general overhead, such as administration, finance, customer billing, legal and other costs as appropriate. These charges will be determined through an indirect cost allocation following accepted practices and procedures.
  - b) In-Lieu-of-Franchise-Fee. This potential transfer, currently between 2% and 4% of operating revenues, is consistent with the franchise rates charged to investor-owned utilities that are franchised to operate within the City.
7. **Intergovernmental Revenues** – All potential grants will be examined for matching requirements and must be approved by the City Manager prior to making application for the grant. It must be clearly understood that operational requirements (on-going costs) set up through of a grant program could be discontinued once the term and conditions of the program have been completed. The department filing the grant application will notify Finance at the point of application and will ensure that the grant is set up appropriately for reimbursement or award, depending on the nature of the grant.
8. **Revenue Monitoring** – Revenues, as they are received, will be regularly compared to budgeted revenues and any variances should be investigated.
  - i. Revenues will be monitored by Fund. It is understood that many of the City’s revenues are seasonal in nature or are reported to the City on a quarterly basis.
  - ii. For the Enterprise Funds, all revenues will be tracked on a monthly basis for comparison purposes.

- iii. As necessary, an item will be placed on the City Council agenda to discuss the status of revenues. All revenues will continue to be included in the financial reports presented to Council monthly.

## IV. EXPENDITURE POLICIES

### A. Appropriations

The point of budgetary control is at the department level budget for all funds. The Charter (Section 8.06) provides that any transfer of appropriation between funds must be approved by the City Council and that the City Manager, without City Council approval, is authorized to transfer appropriations within departments.

Further, the budget is controlled by the authorized positions in the adopted budget. No changes can be made to the number of authorized positions without City Council approval.

### B. Purchasing

All purchases of goods or services by the City will be made in accordance with state law and the following guidelines. All purchasing decisions shall be made in accordance with the Annual Budget or Capital Budget as approved by the City Council. The purchase of items not included in the Annual or Capital Budget less than \$50,000 shall require approval from the City Manager. The purchase of items not included in the Annual or Capital Budgets in excess of \$50,000 shall require the approval of the City Council. All contracts greater than \$50,000 shall be approved by the City Council. Emergency purchases in excess of \$50,000 will be limited to incidents that threaten public health, safety or damage to persons or property or in those situations in which inaction shall present a substantial financial loss to the City. All emergency purchases shall be submitted to the City Council for ratification. The following shows a summary of approval requirements for purchases.

#### APPROVAL REQUIREMENTS FOR PURCHASES:

1. The City Manager shall determine the purchasing authority limits of all Department Heads and other employees on a case-by-case basis; however, under no circumstances shall that authority exceed \$5,000.
2. Department Heads shall determine the purchasing authority of subordinate employees on a case-by-case basis; however, under no circumstances shall that authority exceed \$1000.

### C. Prompt Payment

All invoices approved for payment by the proper City authorities shall be paid within thirty (30) calendar days of receipt of goods or services or invoice date, whichever is later in accordance with State law. The City will take advantage of all purchase discounts, when possible.

### D. Risk Management

The City will pursue every opportunity to provide for the public's and City employees' safety and to manage its risks. The goal shall be to minimize the risk of loss of resources through liability claims with an emphasis on safety programs.

## V. BUDGET CONTINGENCY PLAN

This policy is designed to establish general guidelines for managing revenue shortfalls resulting from local and national economic downturns or other issues that adversely affect the City's revenue streams of all funds.

### A. Immediate Action

Once a budgetary shortfall is projected, the City Manager will take the necessary actions to offset any revenue shortfall with a reduction in current expenses. The City Manager may:

- *Freeze all new hire and vacant positions except those deemed to be a necessity by the City Manager;*
- *Review all planned capital expenditures; and/or*
- *Delay all "non-essential" spending or equipment replacement purchases.*

### B. Further Action

If the above actions are insufficient to offset the revenue deficit and the shortfall continues to increase, the City Manager will further reduce operating expenses to balance the variance. Any resulting service level reductions, including workforce reductions, will be brought to the City Council for direction and determination.

## VI. CAPITAL IMPROVEMENT PROGRAM (CIP) BUDGET

The City's goal is to maintain City facilities and infrastructure in order to provide excellent services to the customers within the community, meet growth related needs, and comply with all state and federal regulations.

### A. Preparation

The City annually updates and adopts a five-year Capital Improvement Program (CIP) schedule as part of the operating budget adoption process. The plan is reviewed and adjusted annually as needed, and year one is adopted as the current year capital budget. The capital budget will include all capital projects, capital resources, and estimated operational impacts.

Priorities for Capital Improvements should consider:

- *Needed capital improvements should be identified through system models, repair and maintenance records and growth demands.*
- *Economic development projects that have capital infrastructure needs should be reviewed and approved for funding by the City to be included in the CIP process or subsequent amendment.*
- *A team approach will be used to prioritize CIP projects, whereby City staff from all operational areas provide input and ideas relating to each project and its effect on operations.*

- *Citizen involvement and participation may be solicited in formulating the capital budget through public hearings and other forums.*

In cases where CIP requirements vary, such as impact fees (with 10-year planning windows and a specialty review process), the City will abide by those requirements.

## **B. Control**

All capital project expenditures must be appropriated in the capital budget. Availability of resources must be identified before any CIP contract is presented to the City Council for approval.

## **C. Financing Programs**

Where applicable, assessments, impact fees, pro rata charges, or other fees should be used to fund capital projects which have a primary benefit to specific identifiable property owners.

Recognizing that long-term debt is usually a more expensive financing method, alternative-financing sources will be explored before debt is issued. See Sections X and XI. Short-term financing including Capital Leasing and other tax-supported obligations can be used to fund vehicles, computers and other operating equipment if the impact to the tax rate is minimal.

## **VII. CAPITAL MAINTENANCE AND REPLACEMENT**

The City recognizes that deferred maintenance increases future capital costs. Therefore, a portion of all individual funds with infrastructure should be budgeted each year to maintain the quality within each system.

### **A. Infrastructure Maintenance**

On-going maintenance costs are included as operating or capital expense within the departmental operating budgets. These costs are generally considered system repairs and are not capitalized for accounting purposes. They include such items as street seal coat, water line repairs and other general system maintenance. Staff will prepare a street maintenance budget for Council's consideration during the budget process.

### **B. Internal Service Funds**

The City may utilize internal service funds to maintain and replace existing assets. Assessments are to be made to the "using" department for the use of current equipment and items to be purchased during the year. In this way, suitable funds should be accumulated and available for the purchase of operational assets with minimal issuance of debt. A systematic methodology will guide the calculation of the department charges.

## **VIII. ACCOUNTING, AUDITING AND FINANCIAL REPORTING**

### **A. Accounting**

The City is solely responsible for the recording and reporting of its financial affairs, both internally and externally. The City Manager is the City's Chief Financial Officer and is responsible for establishing the structure for the City's Chart of Accounts and for assuring that procedures are in place to properly record financial transactions and report the City's

financial position.

#### **B. Audit of Accounts**

In accordance with the City Charter, an independent audit of the City's accounts will be performed every year. The auditor may be recommended by the City Manager but is retained by and is accountable directly to the City Council.

#### **C. Internal Reporting**

The Finance Department will prepare monthly internal financial reports, sufficient to plan, monitor and control the City's financial affairs.

#### **D. External Reporting**

The Finance Department will be responsible for preparing the annual financial report by January 31st of each year [Charter IV(f)], or as timely thereafter as possible.

### **IX. ASSET MANAGEMENT**

#### **A. Cash Management and Investments**

The City must comply with the requirements of the Public Funds Investment Act (PFIA), Section 2256 of the Texas Local Government Code. A separate Investment Policy will be reviewed annually by the City Council and applies to all financial cash and investments held by the City.

**1. Statement of Cash Management Philosophy** - The City shall maintain a comprehensive cash management program to include the effective collection of all accounts receivable, the prompt deposit of receipts to the City's depository, the prompt payment of obligations, and the prudent investment of idle funds in accordance with this policy.

- Cash handling procedures will be coordinated through the Finance Department and all personnel handling cash, checks, or customer payments will be required to take applicable training. Such training will cover PCI compliance and red flag rules as applicable.
- Financial Procedures will outline that bank reconciliations will be performed monthly immediately after statements are processed by the bank; discrepancies will be researched and corrected immediately.

**2. Objectives** – The City's investment program will be conducted as to accomplish the following, listed in priority order:

- *Safety of the principal invested*
- *Liquidity and availability of cash to pay obligations when due*
- *Receive the highest possible rate of return (yield) consistent with the City's investment policy.*

**3. Safekeeping and Custody** – Investments may only be purchased directly by the City or through brokers/dealers who meet the criteria detailed in the investment policy,

which also addresses internal controls related to investments.

**4. Standard of Care and Reporting** – Investment will be made with judgment and care, always considering the safety of principal to be invested and the probable income to be derived. The City Manager is responsible for the overall management of the City’s investment program and ensures all investments are made in compliance with the investment policy. An investment report, providing both summary and detailed information, will be presented to the City Council quarterly.

## **B. Fixed Assets & Inventory**

These assets will be reasonably safeguarded and properly accounted for, and prudently insured when required by law.

**1. Capitalization Criteria** – Capitalization is defined as the point at which an item gets recorded as an asset instead of expense. For purposes of budgeting and accounting classification assets meeting all of the following criteria must be capitalized:

- *The asset is owned by the City.*
- *The expected useful life of the asset must be longer than one year or extend the life of an identifiable existing asset by more than one year.*
- *The original cost of the asset must be at least \$5,000.*
- *The asset must be tangible.*
- *On-going repairs and general maintenance are not capitalized.*

**2. New Purchases** – All costs associated with bringing the asset into working order should be capitalized as part of the asset cost. This may include start-up costs, engineering, or consultant type fees as part of the asset cost once the decision or commitment to purchase the asset is made. The cost of land acquired should include all related costs associated with its purchase. The land will be recorded as a non-depreciable asset while improvements will be considered depreciable.

**3. Improvements and Replacement** – Improvements will be capitalized when they extend the original life of an asset or when they make the asset more valuable than it was originally. The replacement of an asset’s components will normally be expensed unless they are a significant nature and meet all the capitalization criteria.

**4. Contributed Capital** - Infrastructure assets received from developers or as a result of annexation or other dedications will be recorded as equity contributions when they are received and depreciated the same as city funded assets. The City will not accept dedications from home-owners association or other similar property owners without full review and consideration of the ongoing maintenance costs of those assets.

**5. Distributions Systems** - All costs associated with public domain assets, such as streets and utility distribution lines will be capitalized in accordance with the capitalization policy. Costs should include engineering, construction and other related costs including right of way acquisition.

**6. Reporting and Inventory** – The Finance department will maintain the permanent records of the City’s fixed assets, including description, cost, department of responsibility, date of acquisition, depreciation and expected useful life. Periodically, random sampling at the department level will be performed to inventory fixed assets assigned to that department. Responsibility for safeguarding the City’s cash and fixed assets lies with the department supervisor or manager whose department has been assigned the asset.

**7. Inventory and Control** – The Finance department maintains an inventory with descriptions, dates and amounts and has the authority to conduct periodic inventory audits of any city assets, including equipment, cash or other city owned property. Assets assigned to individuals such as cars, computers, and phones must be itemized and returned to city control upon replacement or termination.

**8. Disposal** – City assets may be disposed if they are considered: too costly to repair, obsolete, or no longer functional. For any items with a residual value, the City will dispose of assets through public auction or sealed bid, either directly or through a cooperative effort. If an asset originally cost less than \$5,000, the manager may dispose of it through auction. If an asset cost more than \$5,000 or is being disposed of through a sealed bid, the City Council must approve it.

## X. DEBT MANAGEMENT

The City of Lago Vista recognizes that the primary purpose of capital facilities is to provide services to the community. Using debt financing to meet the capital needs of the community must be evaluated according to efficiency and equity. Efficiency must be evaluated to determine the highest rate of return for a given investment of resources. Equity is resolved by determining who should pay for the cost of capital improvements.

In meeting demand for additional services, the City will strive to balance the needs between debt financing and “pay as you go” methods. The City realizes that failure to meet the demands of growth may inhibit its continued economic viability, but also realizes that too much debt may have detrimental effects on the City’s long-range financial condition.

The City will issue debt only for the purpose of acquiring or constructing capital assets for the general benefit of its citizens, or the utility system expansion and upgrades and to allow it to fulfill its various purposes as a city.

### A. Usage of Debt

Long-term debt financing will be considered for non-continuous capital improvements of which future citizens will be benefited. Alternatives for financing will be explored prior to debt issuance and include, but are not limited to:

- *Grants*
- *Use of Reserve Funds*
- *Use of Current Revenues*

- *Contributions from developers and others*
- *Leases*
- *Impact Fees*

When the City utilizes long-term financing, it will ensure that the debt is soundly financed by conservatively projecting revenue sources that will be used to pay the debt. It will not finance the improvement over a period greater than the useful life of the improvement and it will determine that the cost benefit of the improvement, including interest costs, is positive to the community.

The City may utilize the benefits of short-term debt financing to purchase operating equipment provided the debt doesn't extend past the useful life of the asset, and the potential impact to the tax rate is within policy guidelines.

## B. Types of Debt

**1. General Obligation Bonds (GO's)** – Original issue General Obligation bonds must be authorized by a vote of the citizens of Lago Vista. They are used only to fund capital assets of the general government and are not to be used to fund operating needs of the City. The full faith and credit of the City as well as the City's ad valorem taxing authority back general obligation bonds within limits of state law for taxing authority. Conditions for issuance of general obligation debt include:

- *When the project will have a significant impact on the tax rate;*
- *When the project may be controversial even though it is routine in nature; or*
- *When the project falls outside the normal bounds of projects the City has typically done.*

As needed, the city will prepare Bond Propositions and the City Council will approve any election items and will set election dates in accordance with state law. The Finance Department will track all authorized propositions, the related debt issues and projects for those authorizations, and all remaining amounts approved but unissued.

**2. Revenue Bonds** – Revenue bonds may be issued to provide for the capital needs of any activities where the capital requirements are necessary for the continuation or expansion of a service. The improved activity shall produce a revenue stream to fund the debt service requirements of the necessary improvement to provide service expansion. The final maturity of the obligation should not exceed the useful life of the asset(s) to be funded by the bond issuance and will generally be limited to no more than twenty (20) years.

**3. Certificates of Obligation, Contract Obligations (CO's)** – Certificates of obligation or contract obligations may be used to fund capital requirements that are not otherwise covered either by general obligation or revenue bonds. Debt service for CO's may be paid either from general revenues (tax-supported) or supported by a specific revenue stream(s) or a combination of both provided, however, that the I&S tax provides alternate security for the repayment of COs as required by State law. Typically, the City may issue CO's when the following conditions are met:

- *When the proposed debt will have minimal impact on future effective property tax rates;*
- *When the projects to be funded are within the normal bounds of city capital requirements, such as for roads, parks, various infrastructure and City facilities;*
- *and*
- *When the average life of the obligation does not exceed the useful life of the asset(s) to be funded by the issuance.*

Certificates of obligation will be used with prudent care and judgment by the City Council. Notice of Intent to Issue COs will conform to state law requirements.

**4. Self-supporting General Obligation Debt** – Refers to general obligation debt issued for a specific purpose and repaid through dedicated revenues other than ad valorem taxes; however, the I & S tax is still pledged by law. The annual debt requirements are not included in the property tax calculation.

**5. Internal borrowing between City funds** – The City can authorize use of existing long-term reserves as “loans” between funds. The borrowing fund will repay the loan at a rate consistent with current market conditions. The loan will be repaid within 18 months. The loan will be considered an investment of working capital reserves by the lending fund.

**6. Tax Notes** - In accordance with Chapter 1431 of the Texas Local Government Code the City may authorize the issuance of Tax Notes for construction of public works, the acquisition of land, buildings, equipment, machinery, and related professional services and operating expenses. The maximum term of such notes shall be 7 years except for operating expense which shall have a maximum term of 1 year.

### C. Method of Sale

The City will use a competitive bidding process in the sale of bonds unless conditions in the bond market or the nature of the issuance warrant a negotiated sale. In such situations, the City will publicly present the reasons for the negotiated sale. The City will rely on the recommendation of the financial advisor in the selection process of the underwriter or direct purchaser.

### D. Disclosure & Federal Requirements

Full disclosure of operating costs along with capital costs will be made to the bond rating agencies and other users of financial information for an anticipated bond issuance. The City staff, with assistance of the financial advisor and bond counsel, will prepare the necessary materials for presentation to the rating agencies and will aid in the production of the Preliminary Official Statements. The City will take responsibility for the accuracy of all financial information released.

The City will maintain procedures to comply with its continuing disclosure requirements, through the MSRB “EMMA” program, as well as any arbitrage rebate and other Federal requirements.

The City can contract with an external service provider to assist with continuing disclosure requirements as well as rebate calculations due to the expertise required, the complexity of the law or calculation, and the magnitude of risk for non-compliance.

#### F. Debt Structuring

The City will issue bonds with the final maturity not to exceed the useful life of the asset acquired. Market factors, such as the effects of tax-exempt designations, the cost of early redemption options and the like, will be given consideration during the structuring of long-term debt instruments. Efforts will be made to minimize the effect of large deferrals or ‘balloon note’ type structures.

#### G. I&S Accounting

City Charter section 8.12 requires a separate “account” for the City’s interest and sinking fund, referred to as the Debt Service account.

#### H. Reimbursement Resolutions

The City will utilize reimbursement resolutions as a tool to manage its debt issues, due to arbitrage requirements and project timing (but not market driven reasons). In so doing, the City uses its capital reserve "cash" to delay bond, note and CO issues until such time when issuance is favorable and beneficial to the City. The City Council may authorize a reimbursement resolution for General Capital projects that have a direct impact on the City's ad valorem tax rate when the bonds, notes and COs will be issued within the term of the existing City Council.

#### I. Subject Matter Experts and Advisors

The City will select a financial bond advisor to assist with the issuance and monitoring of debt activities. The financial advisor will recommend other parties to use as bond counsel, rating agencies, paying agents, escrow agents and others involved in a transaction. The City will designate the financial advisor in such a manner to allow investors and underwriting firms to participate in a bond transaction, in accordance with the federal municipal advisor rule.

### **XI. OTHER FUNDING ALTERNATIVES**

When at all possible, the City will research alternative funding opportunities prior to issuing debt or increasing user-related fees.

#### A. Grants

Grant funding is a significant funding source for enhanced community services and improvements. Yet grants come with restrictions in their use, often require matching local funds to secure the grant, and may be subject to additional audit provisions. Staff will evaluate grant opportunities that best meet the needs of the City and our financial capabilities and make recommendations to Council based upon the following matrix:

<b>Grant Value</b>	<b>Cash Match Required OR Future Funding Obligation of the City?</b>	<b>Approval to Apply</b>	<b>Approval to Accept and Appropriate Funds*</b>
< \$49,999	None	City Manager	City Council
Any Value	Yes	City Council	City Council

\*Appropriation may be via an individual Council action or through adoption of the annual budget.

Due to timing on some grant applications, staff may be unable to secure Council’s approval before applications are due. Staff will bring a request to Council as soon as possible to seek retroactive approval to apply for and if successful with a grant award, accept and appropriate the funding for the specific grant. Staff will follow all federal, state, regulatory, and grant-specific requirements in expending and managing grant funds, including adherence to applicable procurement rules.

**B. Use of Reserve Funds**

The City may authorize the use of reserve funds to potentially delay or eliminate a proposed bond issuance. This may occur due to higher than anticipated fund balances in prior years, thus eliminating or reducing the need for debt proceeds, or postpone a bond issuance until market conditions are more beneficial or timing of the related capital improvements does not correspond with the planned bond sale. Reserve funds used in this manner can be replenished upon issuance of the proposed debt provided a reimbursement resolution is promptly adopted.

**C. Developer Contributions**

The City will require developers who negatively impact the City's utility capital plans to offset those impacts.

**D. Leases**

The City may authorize the use of lease financing for certain operating equipment when it is determined that the cost benefit of such an arrangement is advantageous to the City.

**E. Impact Fees**

The City will impose impact fees as allowable under state law for street access and water and wastewater services. These fees will be calculated in accordance with statute and reviewed at least every five years. All fees collected will fund projects identified within the Fee study and as required by state laws.

**XII. FINANCIAL CONDITIONS AND RESERVES**

The City of Lago Vista will strive to maintain budgeted minimum reserves in the ending working capital/fund balances to provide a secure, healthy financial base for the City in the event of a natural disaster or other emergency, allow stability of City operations should revenues fall short of budgeted projections and provide available resources to implement budgeted expenditures without regard to actual timing of cash flows into the City.

### A. Operational Coverage

The City's goal is to maintain operations coverage of 1.00-1.25, such that operating revenues will at least equal or exceed current operating expenditures. Deferrals, short-term loans, or one-time sources will be avoided as budget balancing techniques.

### B. Operating Reserves

Operating Reserves are generally considered as the Unassigned Portion of Fund Balance for Governmental Funds. GASB #54 outlines the categories of Fund Balance and the appropriate definitions.

1. ***Non-Spendable Fund Balances*** are amounts of the City's fund balance that are:
  - i. not in a spendable form including inventory and prepaid items,
  - ii. cannot be converted to cash within the current period including long-term portion of loans receivable and non-financial assets held for resale, or
  - iii. are required to be maintained intact pursuant to legal or contractual requirements including an endowment or permanent fund.
2. ***Restricted Fund Balances*** are amounts of the City's fund balance that reflect resources that are subject to externally enforceable legal restrictions including those imposed by:
  - i. Creditors (through debt covenants),
  - ii. Grantors,
  - iii. Contributors, and
  - iv. Other government's legislation or regulations.

Restricted special revenue funds/accounts of the City include Public Safety & Courts, Hotel Occupancy (Bed Tax). Other restricted funds include all capital bond funds, impact fee funds, and the General Debt Service Fund.

3. ***Committed Fund Balances*** are the amounts of the City's fund balances that represent resources that are constrained by limitations of the City Council and that remain binding unless removed, modified, or rescinded by the City Council prior to the last day of the fiscal year for which the commitment is made. Committed funds include the Reserve Funds and Parks Fund.
4. ***Assigned Fund Balances*** are those amounts of the City's fund balances that reflect the government's intended use of resources. This would include any future appropriation amounts of fund balances. The City Council has authorized the City Manager as the official authorized to assign fund balance to a specific purpose but retains the power of final appropriation of those funds.
5. ***Unassigned Fund Balance*** are those amounts of the City's fund balances that are in excess of what can properly be classified in one of the previous four categories. These funds are available for any purpose. Unassigned fund balances shall be held

to mitigate financial risk that can occur from unforeseen revenues fluctuations and unanticipated expenditures and provide cash flow for the City's general operations. Annual amounts may vary pending tolerable risk associated with volatility of the economy or exposure to natural risks. Fund unassigned balance should be used only for emergencies, major capital purchases or non-recurring expenditures that cannot be provided by savings in the current year.

The City targets operating reserves at 90 days (25%), but not to drop below 60 days (16.7%). Reserve requirements will be calculated as part of the annual budget process. In rare circumstances, the City will allow the reserves to fall below the target requirement providing a plan is in place to restore the funds and continue to maintain fiscally responsible levels that ensure a positive outlook in the bond ratings.

### C. Liabilities and Receivables

Procedures will be followed to maximize discounts and reduce penalties offered by creditors. Current liabilities will be paid within 30 days of receiving the invoice. Accounts Receivable procedures will target collection for a maximum of 30 days of service.

Receivables that are protected by liens on properties will be aggressively pursued through county and state filing methods. Similarly, payments due from utility system customers will also be aggressively pursued, including cut-off procedures for delinquent accounts.

### D. Capital Project Funds

Every effort will be made for all monies within the Capital Project Funds to be expended within thirty-six (36) months of receipt. The fund balance will be invested; and income generated will offset increases in construction costs or other costs associated with the project. Capital project funds are intended to be expended totally and may include internal costs of labor and equipment determined to be meet the requirements of a capital asset.

### E. General Debt Service Funds

Revenues within this fund are stable, based on property tax revenues. Balances are maintained to meet contingencies and to make certain that the next year's debt service payments may be met in a timely manner. The fund balance carried over from one fiscal year to the next should not exceed one month or 1/12th annual debt service requirements, in accordance with IRS guidelines.

### F. Investment of Reserve Funds

The reserve funds will be invested in accordance with the City's investment policy. Existing non-cash investment would be exempt through retirement of the investment.

## **XIII. INTERNAL CONTROLS**

## A. Written Procedures

Wherever possible, written procedures will be established and maintained by the City Manager for all functions involving cash handling and/or accounting throughout the City. These procedures will embrace the general concepts of fiscal responsibility set forth in this policy statement.

The City Manager designates the Finance Director to have access to any city records in order to perform duties of safekeeping and control of assets.

To ensure proper controls, the City will maintain a transition policy, coordinated through its Human Resources and Information Technology departments. This policy will cover safety-sensitive positions that have been assigned duties related to the management of city assets.

Within the Finance Department and areas with significant cash handling, all prudent measures will be taken to ensure proper segregation of duties, within the confines of staffing resources. Finance will work with customer departments, as well as the external audit team, to develop compensating controls and actions in areas where separation is limited.

## B. Department Head Responsibility

Each Department Head is responsible for ensuring that good internal controls are followed throughout their department, that all Management directives are implemented and that all independent auditor internal control recommendations are addressed. Departments will develop and periodically update written internal control procedures.

## **CITY OF LAGO VISTA, TEXAS INVESTMENT POLICY**

### **I. POLICY**

It is the policy of the City of Lago Vista (hereinafter referred to as "City") that after allowing for the anticipated cash flow requirements of the City and giving due consideration to the safety and risk of investment, all available funds shall be invested in conformance with these legal and administrative guidelines and to the extent possible, at the optimum rates obtainable at the time of investment.

Effective cash management is recognized as essential to good fiscal management. Investment interest is a visible and material source of revenue to City funds. The City's investment portfolio shall be managed in a manner designed to optimize this revenue source, to be responsive to the public trust, and to be in compliance with legal requirements and limitations.

Investments shall be made with the primary objectives of:

- A. Safety - Preservation of Principal.
- B. Liquidity - Maintenance of Liquidity to Fund Operations.
- C. Public Trust - Prudent Investment Activities.
- D. Yield - Optimization of the Portfolio.

### **II. PURPOSE**

The purpose of the investment policy is to comply with Chapter 2256 of Title 10 of the Texas Local Government Code, "Public Funds Investment Act" (hereinafter referred to as the "Act") which requires each city to adopt a written investment policy regarding the investment of its funds and funds under its control. The Investment Policy addresses the methods, procedures and practices that must be exercised to ensure effective and judicious fiscal management of the City's funds.

### **III. SCOPE**

This Investment Policy shall govern the investment of all financial assets of the City. These funds are accounted for in the City's Annual Program of Services (budget) and the Comprehensive Annual Financial Report (CAFR) when it is prepared.

A. Funds Included

1. General Fund
2. Special Revenue Funds
3. Capital Project Funds
4. Enterprise Funds
5. Trust and Agency Funds - To the extent required by law or existing contract to be kept segregated and managed separately.
6. Debt Service Funds - Including reserves and sinking funds, to the extent not required by law or existing contract to be kept segregated and managed separately.
7. New Funds - Created by the City, unless specifically exempted from this Policy by the City Council or by law.

B. Funds Excluded

This Policy shall not govern funds that are managed under separate investment programs. Such funds currently include the City's participation in the Texas Municipal Retirement System (TMRS) and any deferred compensation programs, including Nationwide and the ICMA-RC 457, administered for the benefit of city employees by outside agencies. The City shall maintain responsibility for these funds only as required by State Law, City Charter or Code of Ordinances.

#### **IV. INVESTMENT OBJECTIVES**

The City shall manage and invest its cash with four primary objectives listed in the order of priority as follows: safety, liquidity, public trust, and yield

(expressed as optimization of interest earnings). The safety of the principal invested always remains the primary objective. All investments shall be designed and managed in a manner responsive to the public trust and consistent with State and local law.

The City shall maintain a comprehensive cash management program which includes collection of accounts receivable, vendor payments in accordance with invoice terms, and prudent investment of available cash. Cash management is defined as the process of managing monies in order to ensure maximum cash availability and optimum yield on short-term investment of pooled idle cash.

A. Safety (PFIA 2256.00S(b)(2))

Safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective being to mitigate credit and interest rate risk.

1. Credit Risk - The City will minimize credit risk, the risk of loss due to the failure of the issuer or backer, by:
  - a. Limiting investments to the safety types of securities.
  - b. Pre-qualifying the financial institutions and broker/dealers with which the City will do business.
  - c. Diversifying the investment portfolio so that potential losses on individual securities will be minimized.
2. Interest Rate Risk - The City will minimize the risk that the market value of securities in the portfolio will fall due to changes in interest rates, by:
  - a. Structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity.
  - b. Investing operating funds primarily in shorter-term securities, bank deposits, money market mutual funds or local government

investment pools.

- c. Diversifying maturities and staggering purchase dates to minimize the impact market movements over time.

B. Liquidity (PFIA 2256.005 (b)(2))

The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs to meet anticipated demands. Because all possible cash demands cannot be anticipated, the portfolio will also be placed in bank deposits, money market mutual funds, or local government investment pools that offer same day liquidity for short term funds.

C. Public Trust

All participants in the City's investment process shall seek to act responsibly as custodians of the public trust. Investment Officers shall avoid any transaction which might impair public confidence in the City's ability to govern effectively.

D. Yield (Optimization of Interest Earnings) (PFIA 2256.005(b)(2))

The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs. Return on investment is of secondary importance compared to the safety and liquidity objectives described above. The core of investments is limited to relatively low risk securities in anticipation of earning a fair return relative to the risk being assumed.

V. **RESPONSIBILITY AND CONTROL**

A. Delegation of Authority (PFIA 2256.005(f))

Management responsibility for the investment program is assigned to the City Manager as provided in the Home Rule Charter for the City.

The Director of Finance is hereby designated as the primary Investment Officer and is responsible for establishing a system of controls to regulate the activities of investment.

No person may engage in an investment transaction or the management of funds except as provided under the terms of this Investment Policy as approved by the City Council. The investment authority granted to these Investment Officers is effective until rescinded by the City Council.

The City Council may designate by resolution one or more Investment Officers or employees as members of the Investment Advisory Committee assigned to review investment policies and procedures, investment strategies, broker/dealers, independent training sources and investment performance. Members of the Committee must demonstrate knowledge and expertise in the area of finance, investments, or cash management. If a Committee is designated, it shall elect a Chairman and the meetings shall be called as needed.

B. Training Requirement (PFIA 2256.008)

In order to ensure qualified and capable investment management, the Director of Finance and any other designated Investment Officers must attend ten (10) hours of training within twelve (12) months of taking office. Additionally, Investment Officers must attend investment training not less than once in a two-year period and receive not less than ten (10) hours of instruction relating to investment responsibilities. The investment training session shall be provided by an independent source approved by the Investment Advisory Committee. For purposes of this Policy, an "independent source" from which investment training shall be obtained shall include a professional organization (such as the Texas Municipal League (TML)), an institute of higher learning, or any other sponsor other than a business organization with whom the City may engage in an investment transaction. The Director of Finance and any other designated Investment Officers shall also comply with any continuing education or retraining requirement prescribed by law.

C. Internal Controls (Best Practice)

The Director of Finance is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of the entity are protected from loss, theft, or misuse. The internal control structure shall be designed to provide reasonable assurance that these objectives are met. The concept of reasonable assurance recognizes that the cost of a control should not exceed the benefits likely to be derived and the valuation of costs and benefits requires estimates and judgments by management.

Accordingly, the Director of Finance shall establish a process, as part of the annual audit, for review by the external auditor to assure compliance with policies and procedures. The internal controls shall address the following points:

1. Control of collusion.
2. Segregation of duties.
3. Separation of transactions authority from accounting and record keeping.
3. Custodial safekeeping receipts records management.
4. Avoidance of physical delivery securities.
5. Clear delegation of authority to subordinate staff members.
6. Written confirmation for telephone (voice) transactions for investments and wire transfers.
7. Development of a wire transfer agreement with the depository bank or third-party custodian.

D. Prudence (PFIA 2256.006)

The standard of prudence to be applied by the Investment Officer shall be the "prudent investor" rule.

This rule states that "Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence,

discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived."

In determining whether an Investment Officer has exercised prudence with respect to an investment decision, the determination shall be made taking into consideration the following:

1. The investment of all funds or funds under the City's control over which the officer had responsibility rather than a consideration as to the prudence of a single investment.
2. Whether the investment decision was consistent with the written Investment Policy of the City and that any deviation from expected outcome was reported in a timely manner to the City Manager and City Council.

E. Indemnification (Best Practice)

The Investment Officer, acting in accordance with written procedures and exercising due diligence, shall not be held personally responsible for a specific security's credit risk or market price changes, provided that these deviations are reported immediately, and the appropriate action is taken to control adverse developments.

F. Ethics and Conflicts of Interest (PFIA 2256.005(I))

Investment Officers and employees involved in the investment process shall refrain from personal business activity that would conflict with the proper execution and management of the investment program, or that would impair their ability to make impartial decisions. Employees and Investment Officers shall disclose any material interests in financial/investment positions that could be related to the performance of the investment portfolio. Employees and Investment Officers shall refrain from undertaking personal investment transactions with the same individual with which business is conducted on behalf of the City.

An Investment Officer of the City who has a personal business relationship with an organization seeking to sell an investment to the

City shall file a statement disclosing that personal business interest. An investment officer who is related within the second degree of affinity or sanguinity to an individual seeking to sell an investment to the City shall file a statement disclosing that relationship. A statement required under this subsection must be filed with the Texas Ethics Commission and the City Council.

## VI. SUITABLE AND AUTHORIZED INVESTMENTS

### A. Portfolio Management

The City currently has a "buy and hold" portfolio strategy. Maturity dates are matched with cash flow requirements and investments purchased with the intent to be held until maturity. However, securities may be sold before they mature if market conditions present an opportunity for the City to benefit from the trade. Securities may be sold for the following reasons:

1. A security with declining credit may be sold early to minimize loss of principal.
2. A security swap would improve the quality, yield, or target duration in the portfolio.
3. Liquidity needs of the portfolio require that the security be sold.

### B. Investments (PFIA 2256.00S(b)(4)(A))

Assets of the City may be invested in the following instruments provided, however, that at no time shall assets of the City be invested in any instrument or security not authorized for investment under the Act, as the Act may from time to time be amended.

1. Authorized.
  - a. Obligations of the United States of America, its agencies or instrumentalities.
  - b. Certificates of Deposit (CD's) of state and national banks

domiciled in Texas, a savings and loan association domiciled in this state, or a state or federal credit union that has its main office or a branch office in this state that is guaranteed or insured by the Federal Deposit Insurance Corporation (FDIC) or its successor or secured by obligations in manner and amount provided by law for deposits of the investing entity.

- c. Fully collateralized direct repurchase agreements with a defined termination date secured by obligations of the United States or its agencies and instrumentalities. These shall be pledged to the City, held in the City's name, and deposited at the time the investment is made with the City or with a third party selected and approved by the City. Repurchase agreements must be purchased through a primary government securities dealer, as defined by the Federal Reserve, or a financial institution doing business in this state. A Master Repurchase Agreement must be signed by the bank/dealer prior to investment in a repurchase agreement. All repurchase agreement transactions will be on a delivery vs. payment basis. Securities received for repurchase agreements must have a market value greater than or equal to 110 percent at the time funds are disbursed.
  
- d. Money Market Mutual funds that are:
  - (1) registered and regulated by the Securities Exchange Commission (SEC);
  - (2) have a dollar weighted average stated maturity of ninety (90) days or less;
  - (3) and, maintain a net asset value of \$1 for each share.
  
- e. Government investment pools which:
  - (1) meet the requirements of Chapter 2256.016 of the Act;

- (2) are rated no lower than AAA or an equivalent rating by at least one nationally recognized rating service;
- (3) and, are authorized by resolution or ordinance by the City Council.

2. Not Authorized (PFIA 2256.009(b)(1-4))

Under no circumstances shall investments be made in interest-only or principal-only strips of obligations with underlying mortgage-backed security collateral, or in collateralized mortgage obligations with an inverse floating interest rate or a final maturity date of ten (10) years.

**VII. INVESTMENT PARAMETERS**

A. Maximum Maturities (PFIA 2256.005(b)(4)(B))

The longer the maturity of investments the greater the price volatility. Therefore, it is the City's policy to concentrate its investment portfolio in shorter-term securities in order to limit principal risk caused by changes in interest rates.

The City attempts to match its investments with anticipated cash flow requirements. Unless matched to a specific cash flow, the City will not directly invest in securities maturing greater than twenty-four (24) months from the date of purchase. Additionally, the above described obligations, certificates, or agreements may be collateralized using only those investments meeting these same criteria provided that the securities pledged for collateral may not mature more than sixty (60) months from the date of purchase or pledge.

Because no secondary market exists for repurchase agreements, the maximum maturity shall be 120 days.

Each Fund portfolio will have a weighted average maturity of twelve (12) months or less. This dollar weighted average maturity will be calculated using the stated final maturity dates of each security.

B. Diversification (PFIA 2256.005(b)(3))

The City recognizes that investment risks can result from issuer defaults, market price changes, or various technical complications leading to temporary illiquidity. Risk is controlled through portfolio diversification that shall be achieved by the following general guidelines.

1. Limiting investments to avoid overconcentration in securities from a specific issuer or business sector (excluding U. S. government securities).
2. Limiting investment in securities that have higher credit risks.
3. Investing in securities with varying maturities.
4. Continuously investing a portion of the portfolio in readily available funds such as bank deposits, local government investment pools, money market mutual funds or overnight repurchase agreements to ensure that appropriate liquidity is maintained in order to meet ongoing obligations.

The following maximum limits, by instrument, are established for the City of Lago Vista portfolio:

1.	U. S. Treasury Securities	100%
2.	Agencies and Instrumentalities	85%
3.	Certificates of Deposit	100%
4.	Repurchase Agreements*	20%
5.	Money Market Mutual Funds	50%
6.	Authorized Pools	100%
7.	Depository Bank	100%

\*Excluding flexible repurchase agreements for investment of bond proceeds.

## **VIII. INVESTMENT STRATEGY BY FUND TYPE**

### **A. Operating Funds and Commingled Funds Containing Operating Funds**

Operating Funds will have as their primary objective to support the goals of the Investment Policy on these funds for safety and assure that cash flows are matched with adequate liquidity while obtaining reasonable market yields. This will be accomplished by purchasing quality, short-term securities in a laddered structure or utilizing other liquid alternatives.

The dollar weighted average will be 180 days or less to accomplish this goal. The portfolio shall be diversified to protect against credit and market risk in any one sector. No security will be purchased with maturity over eighteen (18) months. Operating fund reserves or fund balances shall only be invested in securities that have a maximum maturity of twelve (12) months.

### **B. Debt Service**

Investment strategies for debt service funds shall have as the primary objective the guarantee of investment liquidity adequate to cover the debt service obligation on the required payment date. Investment will be made that will promise safety of principal and liquidity first and yield and diversification second. Securities purchased will not have maturity dates that exceed the next debt service payment date until the next debt service payment is fully funded and in no instance will have a maximum weighted average maturity greater than six (6) months.

### **C. Debt Service Reserves**

Investments will have as the primary objective the ability to generate a dependable revenue stream to the appropriate debt service fund within the limits set forth by the bond ordinance or debt covenants specific to each individual bond issue.

Since this is one of the highest priorities of the City, securities with the highest safety will be chosen. Securities will be chosen for their maturity dates and not require the highest degree of diversification.

Reserve funds will purchase securities carrying the optimum yield available within the desired maturity and quality range, with a maximum weighted average maturity of twelve (12) months.

D. Capital Project and Special Purpose Funds

These funds will have as their primary objective to ensure that anticipated cash flows are matched with adequate investment liquidity. No funds will be invested longer than the related anticipated expenditures.

These portfolios should have liquid securities to allow for unanticipated project expenditures or accelerated project outlays due to a better than expected or changed construction schedule. The dollar weighted average life of the portfolio should match the weighted average life of the expenditures. Funds invested for capital projects may be from bond proceeds that are subject to arbitrage rebate regulations.

The City will have an arbitrage rebate calculation performed annually to determine the income, if any, that has exceeded the arbitrage yield of bonds. Any positive arbitrage income will be rebated to the Federal Government according to arbitrage regulations. A secondary objective of these funds is to achieve a yield equal to or greater than the arbitrage yield on the applicable bond.

**IX. SELECTION OF BANK DEPOSITORY, BROKER/DEALERS, AND INVESTMENT ADVISORS**

A. Depository (Chapter 116, Texas Local Government Code)

At least every five (5) years, as allowed by State Law, a Depository shall be selected through the City's banking services procurement process, which shall include a formal request for proposal (RFP). The term of said banking services shall be for a maximum of an initial three (3) year term, with options to renew for either one or two-year terms. The

selection of a depository will be determined by competitive process and evaluation of proposals will be based on the following selection criteria:

1. The ability to qualify as a depository for public fund in accordance with state and local laws.
2. The ability to provide requested information or financial statements for the periods specified.
3. The ability to meet all requirements in the banking RFP and the Investment Policy.
4. Complete response to all required items on the bid form.
5. Lowest net banking service cost, consistent with the ability to provide an appropriate level of service.
6. The credit worthiness and financial stability of the bank.

B. Brokers/Dealers (PFIA 2256.025)

The City shall select dealers reporting to the Market Reports Division of the Federal Reserve Board of New York, also known as "Primary Government Security Dealers", or regional dealers that qualify under Securities and Exchange Commission (SEC) Rule 15C3-1 (uniform net capital rule).

All financial institutions and broker/dealers who desire to become qualified bidders for investment transactions must supply the following as appropriate:

1. Audited financial statements.
2. Completed broker/dealer questionnaire.
3. Certification of having read and understood the City's Investment Policy and agreeing to comply with the Policy.

An Investment Advisory Committee must adopt and annually review a

list of qualified broker/dealers authorized to engage in investment transactions with the City.

C. Investment Advisors

Investment Advisors shall adhere to the spirit, philosophy, and specific terms of this Policy and shall advise within the same "Standard of Care". Selected Investment Advisors must be registered under the Investment Advisors Act of 1940 or with the State Securities Board. A contact with an Investment Advisor may not be for a term longer than two years and must be approved by the City Council, including any renewals or extensions.

D. Competitive Bids (Best Practice)

Competitive quotes must be taken from at least three (3) qualifying institutions for any investment transaction, other than the investment of funds in an authorized pool, money market mutual fund, or certificate of deposit through the depository bank. Investment transactions may be done orally but must be followed by electronic or written communication. Written confirmation shall be received from the financial institution or broker/dealer.

D. Delivery Versus Payment (PFIA 2256.005(b)(4)(E))

Securities shall be purchased using the delivery versus payment method with the exception of investment pools and mutual funds. Funds shall not be wired and paid until verification has been made that the safekeeping bank received the correct security. The security shall be held in the name of the City or held on behalf of the City. The safekeeping bank's records shall assure the notation of the City's ownership of or explicit claim on the securities. The original copy of all safekeeping receipts shall be delivered to the City.

**X. SAFEKEEPING OF SECURITIES**

A. Safekeeping Agreement (Best Practice)

The City shall contract with a bank or banks for the safekeeping of

securities either owned by the City as part of its investment portfolio or held as collateral to secure demand or time deposits.

B. Safekeeping

All securities owned by the City shall be held by its safekeeping agent, except the collateral for certificates of deposit in banks. The collateral for certificates of deposit or banks will be registered in the City's name, or a third-party bank in the City's name, at the City's discretion. Original safekeeping receipts shall be obtained by the Director of Finance.

C. Collateralization (PFIA 2257.023)

Consistent with the requirements of the Public Funds Collateral Act, it is the policy of the City to require full collateralization of all City investments and funds on deposit with a depository bank or other financial institution. In order to anticipate market changes and provide a level of security for all funds, the collateralization level will be 102% of market value of principal and accrued interest on the deposits, less an amount insured by the FDIC or FSLIC. At its discretion, the City may require a higher level of collateralization for certain collateral securities.

Securities pledged as collateral shall be held by an independent third party with whom the City has a current custodial agreement. The Director of Finance is responsible for entering into collateralization agreements with third party custodians in compliance with this Policy. The agreements are to specify the acceptable investment securities for collateral, including provisions relating to possession of the collateral, the substitution or release of investment securities, ownership of securities, and the method of valuation of securities.

A clearly marked evidence of ownership (safekeeping receipt) must be supplied to the City and retained by the Director of Finance. Collateral shall be reviewed at least monthly to ensure that the market value of the pledged securities is adequate. The City, at its sole discretion, may change the reporting frequency.

D. Collateral Defined

The City shall accept the following securities as collateral:

1. Obligations of the United States or its agencies and instrumentalities.
2. Direct obligations of the State of Texas or its agencies and instrumentalities.
3. Collateralized mortgage obligations directly issued by a federal agency or instrumentality of the United States, the underlying security for which is guaranteed by an agency or instrumentality of the United States.
4. Obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to investment quality by a nationally recognized rating firm not less than "A" or its equivalent with a remaining maturity of ten (10) years or less.
5. A surety bond issued by an insurance company rated as to investment quality by a nationally recognized rating firm not less than "A" or its equivalent.
6. A letter of credit issued to the City by the Federal Home Loan Bank.

E. Subject to Audit

All collateral shall be subject to inspection and audit by the Director of Finance or the City's independent auditors.

## **XI. PERFORMANCE**

A. Performance Standards

The City's investment portfolio will be managed in accordance with the parameters specified within this Policy. The portfolio shall be designed with the objective of obtaining a rate of return through budgetary and economic cycles commensurate with the investment risk constraints and the cash flow requirements of the City.

B. Performance Benchmark (Best Practice)

The City's portfolio shall be designed with the objective of regularly meeting or exceeding the average rate of return on U. S. Treasury Bills at a maturity level comparable to the City's weighted average maturity in days. Weighted -average yield to maturity shall be the portfolio performance measurement.

**XII. REPORTING**

A. Methods (PFIA 2256.023)

The Investment Officers shall prepare an investment report on no less than a quarterly basis that summarizes investment strategies employed in the most recent quarter.

The quarterly investment report shall include a summary statement of investment activity prepared in compliance with generally accepted accounting principles. This summary will be prepared in a manner which will allow the City to ascertain whether investment activities during the reporting period have conformed to the Investment Policy. The report will be provided to the City Manager and the City Council. The report will include the following:

1. A listing of individual securities held at the end of the reporting period.
2. Unrealized gains or losses resulting from appreciation or depreciation by listing the beginning and ending book and market value of securities for the period.
3. Additions and changes to the market value during the period.
4. Average weighted yield to maturity of portfolio as compared to applicable benchmark.
5. Listing of investments by maturity date.
6. Fully accrued interest for the reporting period.

7. The percentage of total portfolio which each type of investment represents.
8. Statement of compliance of the City's investment portfolio with State Law and the investment strategy and Policy approved by the City Council.

In conjunction with the annual audit, an independent auditor will perform a formal review of the quarterly reports with the results reported to the City Council (PFIA 2256.023(d)).

B. Marking to Market (PFIA 2256.005(b)(4)(D))

Market value of all securities in the portfolio will be determined on a quarterly basis. These values will be obtained from a reputable and independent source.

### **XIII. INVESTMENT POLICY ADOPTION**

The City's Investment Policy shall be adopted by resolution of the City Council (PFIA 2256.005(e)). It is the City's intent to comply with state laws and regulations. The City's Investment Policy shall be subject to revisions to stay current with changing laws, regulations, and the needs of the City. The Policy shall be reviewed annually by the City Council and any changes or modifications must be approved by the City Council.

- V. Credit Card Provider..... 5
- VI. Transaction/Card Limits..... 5
- VII. Sales Tax ..... 5
- VIII. Returns ..... 6
- IX. Restrictions and Exemptions ..... 6
- X. Obtaining a Credit Card ..... 7
- XI. Revocation of the Credit Card ..... 7

## I. Purpose

The purpose of the Credit Card Program is to provide the City with an efficient and controllable method of making small dollar commodity, service, and travel purchases. This program is to be used to procure low-value maintenance, repair, and operational expense items. By using the credit card, it will simplify the payment process and take advantage of the rebate program the card provider offers. The City will issue cards via the provider of its choice. This card policy is not intended to replace, but rather supplement existing purchasing, petty cash, travel, and other City policies. The same restrictions that apply to other methods of purchasing also apply to the Credit cards.

## II. Eligibility

If requested and approved by the City Manager, Department cards will be issued to each department and be the responsibility of the department head or his/her designee. Criteria for determining which departments should be issued a department card:

- Will the use of a Credit card enhance productivity?
- Will the use of a Credit card reduce paperwork?
- Will the Credit card be utilized regularly for the purchasing of authorized (budgeted) goods, supplies and services?

## III. Usage

Each card will have a monthly limit. The limit on the Department head cards are set by the City Manager. In no case will limit exceed \$5,000. Limits can be changed on a temporary or permanent basis when warranted and a written request is received by the Program Administrator or the department head.

Credit cards may be used for small dollar purchases which conform to the purchasing policy and that do not exceed the cards maximum limit.

Acceptable purchases are:

- Maintenance and repair of equipment
- Operational expense items
- Registration Fees
- Travel expenses (must adhere to the Travel Policy)
- Other items that fit the purpose of the program

Purchases made on the card will be for City business only. The card is not a personal line of credit and must never be used for personal or private purchases of any nature. When in doubt as to whether a purchase is allowable under the City policy, the cardholder should either contact the Program Administrator before making the purchase or make payment personally and seek reimbursement from the City afterwards. Please remember that reimbursement for any out-of-pocket purchase made without authorization is subject to the City Manager's approval.

Unauthorized purchases or use of the card in violation of this or other City policies are prohibited, and purchaser will be subject to disciplinary action.

The credit card is used solely to pay vendors that require credit card payments, when timing does not allow the normal Accounts Payable check issuing process, or when getting a purchase order either isn't required or cannot be obtained prior to the purchase.

#### IV. Penalties for Improper Use of the Card

The card is to be used only by the department/cardholder to pay for authorized, work-related expenses. The card should not be used to pay for personal transactions. Improper use of the card can be considered misappropriation of City funds and may result in disciplinary action up to and including termination of employment. Improper use will result in revoking the card. In addition, the cardholder is personally liable for payment of improper purchases, including those in excess of dollar amounts appropriated or authorized by the City and subject to criminal prosecution under the Travis County judicial system.

#### V. Duties and Responsibilities

##### A. Cardholder

1. The employee who is issued a card is called a "Cardholder" whether it is issued in their name or just in their custody (i.e., department card).
2. Every transaction made using the Credit card must have corresponding backup in accordance with the Fiscal and Budgetary Policy and all other City of Lago Vista policies accounting system.
3. Each Cardholder shall use the card only for authorized purchases. A hardcopy itemized receipt must be obtained from the vendor each time the card is used and be signed by the Cardholder. Online and telephone charges must also be documented by a receipt, so the Cardholder shall request the vendor send them a receipt.
4. The Cardholder is responsible for immediately notifying the Credit card provider, their supervisor, and the Program Administrator if the card is lost or stolen.
5. Each Cardholder must acknowledge receipt of the Credit card, understand the rules of usage, and sign the user agreement. Failure to abide by this Credit card Policy may result in disciplinary action, up to and including termination of employee. The Cardholder will be required to reimburse the City for any unauthorized transaction.
6. Upon resignation or termination of employment of a Cardholder, the Department Director shall notify the Program Administrator immediately, and the card shall be turned in to the Program Administrator.

## B. Program Administrator

The Program Administrator is the Chief Financial Officer or their designee. The Program Administrator manages the Credit Card Program and has the following responsibilities:

1. Establishing credit card accounts and limits
2. Acting as the point of contact for any Credit Card Program questions
3. Ensuring compliance with the Credit Card Policy and the Purchasing Policy
4. Reviewing all credit card transactions monthly
5. Terminating cards as needed

## C. Departmental Responsibility

The City Manager determines who will be issued a card and the monthly limits assigned. The Department Director will also ensure that purchases are authorized and adhere to City policies. Departments may implement more stringent internal authorization procedures that must be followed in order to make purchases with the card. Directors are responsible for approving receipts and making sure the statements for each card are reconciled and turned in to the Finance Department within 15 days of the statement date to facilitate timely payments.

## VI. Credit Card Provider

The Credit Card Provider will send the Cardholder and the City's Finance Department a billing statement once each month for all transactions that have taken place in the previous month's statement cycle. This statement can also be obtained online. The Cardholder is responsible for reconciling their respective statement, matching each transaction with a receipt as soon as it is received. If a transaction is listed which is not known to the Cardholder, the Cardholder is responsible for immediately notifying the Credit Card Provider and the Program Administrator of the disputed charge. It is imperative that each Cardholder promptly process the transactions and forward receipts to their supervisor.

## VII. Transaction/Card Limits

Each individual credit card will have transaction and/or spending limits. The Chief Financial Officer in coordination with Department Director has the authority to limit types of purchases, places of purchases, and hours of day purchases can be made on individual cards. The total purchase price as printed on the individual credit card receipt is known as the "transaction amount". The credit card may be limited by the merchant type, transaction amount, and monthly transaction limit. Each Cardholder will be set up with limits for each of these categories and will be made aware of the limits. A card transaction will be denied when swiped if the transaction exceeds any of the limits. The card transaction limits may not exceed those set in the policy guidelines.

## VIII. Sales Tax

As a tax-exempt government agency, the City of Lago Vista does not pay sales tax. Cardholders will be provided a copy of the City's tax exemption certificate when requested. Cardholders are responsible for ensuring that the merchant does not include sales tax in the transaction if possible. In the event sales tax is charged, the cardholder is required to go back to the vendor/merchant to request a refund of the sales tax paid. If a refund is not possible, the cardholder is required to submit a memorandum monthly to the finance department that includes an explanation as to why the sales tax paid cannot be credited along with a copy of the receipts showing the sales tax paid.

#### IX. Late Fees or Finance Charges

No late fees or finance charges shall be paid by the City under terms of procurement card program. If late fees or finance fees are incurred, the department head/cardholder will be responsible for paying those fees.

#### X. Returns

Each Cardholder is responsible for coordinating returns with the vendor and making sure a proper credit slip is obtained. Credit shall be issued to the Cardholder's account. **Cash refunds are not allowed.**

#### XI. Restrictions and Exemptions

- A. Employees may NOT use the card for the following:
1. Any purchases of items for personal use.
  2. Cash refunds or advances.
  3. Any purchase of goods/services or from a merchant type not considered prudent or of good judgment.
  4. Any purchases set up as reoccurring.
  5. No purchases are to be processed through the employee's personal account online. You must establish a City account to process the purchase.
  6. Any transaction amount greater than the Cardholders transaction limit.
  7. Items under contract unless an emergency exception is granted.
  8. Alcohol or liquor of any kind. Patronization of bars, drinking places, and package stores must not be paid for with the credit card.
  9. In town-meals without a proven business such as a City hosted event.
  10. Gifts to friends or relatives in lieu of meals and lodging.
  11. Life travel accident insurance premiums.
  12. Parking fines and traffic tickets.
  13. Clothing and clothing rental.
  14. Laundry, valet, or dry-cleaning charges.
  15. Repairs or towing of personal vehicles.
  16. Babysitting/pet sitting
  17. Expense for travel companions
  18. Mini-bar refreshments or other snacks in addition to the meal

reimbursement

19. Separate, sequential, and component purchases or any transaction made with intent to circumvent the City Purchasing Policy or state law.
20. Any transaction that may cause or be perceived to cause damage to the City of Lago Vista's reputation and goodwill, and/or reflect poorly on the ethical and moral decision-making of the Cardholder, staff, and elected officials.
21. Any other purchase specifically excluded in the City Purchasing Policy.

#### B. Documentation

Each cardholder/department will maintain a purchasing log. The log records the transaction date, vendor name, the merchandise purchased, dollar value of sale, how the order was placed (via Internet, phone, fax, mail, or in person), citywide or individual contract number (if applicable), and purpose of purchase. A separate line is required for each purchase. An itemized receipt for each purchase should be stapled to the log to expedite reconciliation with the billing statement. The log must be reviewed and signed by the department head/cardholder and submitted to finance for review.

#### C. Personal Use Restrictions

The card may not be used to pay spouse/family expense incurred while traveling. Only City business expenses are allowable, and the Cardholder must pay personal expenses separately.

## XII. Obtaining a Credit Card

Steps:

1. Department Director submits a request in writing to the City Manager for a credit card who determines the appropriate monthly transaction limits.
2. The Program Administrator will request the Credit Card Provider to issue credit cards.
3. Upon receipt of the card, the Program Administrator will have the Cardholder sign the Credit Cardholder Agreement.
4. The new Cardholder receives copies of:
  - a. Credit Cardholder Agreement
  - b. Credit Card Policy
  - c. Purchasing Policy
  - d. Travel Policy

## XIII. Revocation of the Credit Card

The credit card is subject to revocation at any time at the discretion of the City Manager or Chief Financial Officer. When a card is revoked, changes are made online and take effect immediately. The Program Administrator is further authorized

to temporarily suspend use of the card via electronic methods if unauthorized use is discovered and such use poses a threat to internal financial controls.
